Welcome

Welcome to the Minnesota Fall Sale. It sure has been a trying year with milk prices and lots and lots of rain. On the brighter side, there sure seems to be a lot to harvest this year. Please be safe and enjoy the harvest.

We are very excited with this years lineup. We have focused extensively on selecting great milk cows and a lot of beautiful springing heifers. You will also see the biggest lineup of high genomic heifers that we have had on this sale in a while, along with some lovely project calves for next year. I would like to say thank you to our consignors for offering their best. Without their help, we would not be able to offer this outstanding lineup. I would like to say thanks to our staff, the selectors, and our fantastic fitting crew led by Pat Hereen. I also want to say thanks to Jenn Landman for the countless hours she puts in on this sale which also included doing the catalog this fall.

As buyers, I believe you will be extremely happy to take home any of these animals from this sale. I believe now is a great time to add new, and exciting genetics to your herd. The raffle will also be a part of the sale this year. Take a look at lots 1-4, and make sure you buy your raffle tickets before the sale .

Have a great holiday season,
Tracy Schaefer, Sale Chairman
