Tom Morris Ltd.

Welcome to the 18th Badger Invitational!

On behalf of myself and the members of the Badger Dairy Club, we are pleased to present to you the 18th Badger Invitational Sale. We are extremely honored to be able to carry on this great tradition of the Badger Dairy Club, and have done everything we can to ensure that we have an extremely successful sale.

The list of people I could thank who have helped us along the way is endless. I'd first like to thank the breeders and consignors of our quality lots. The people we visited and talked with are no doubt the best part of our great industry and some of the best people to ever walk this earth. From their breeding programs, we have assembled cattle from some of the best cow families in the history of the Holstein breed.

Tom and Sandy Morris, Cara Ford, and Kevin Jorgensen also deserve our utmost thanks. They have been alongside of us from the start of this process and have assisted us in any questions we have had. Their experience is invaluable, and has helped us plan and execute every aspect of this sale. Our Alumni Sales staff, leads people, and fitting crew are full of some of the most respected men and women in the business, and I really thank them for taking time out of their busy schedules to help us.

Finally, I would like to extend a thank you to my fellow sale chairs who are also some of my greatest friends. They have put countless hours into every detail of this sale. These men and women are without a doubt the future leaders of our business. Thanks to Jordan Ebert, Brad Warmka, Brad Griswold and David Pintens our Selections committee; Logan Voigts, Charlie Hamilton and Megan Lauber our Cattle Care chairs; Sara Griswold our Catalog chair, Kristen Broege our Advertising chair, and finally our Special Events chairs, Elizabeth Sarbacker and Danielle Warmka.

I hope that you will be able to join us on March 11th to reconnect with friends, relive memories, and add some of the best genetics in the Holstein breed to your herd.

Thank You,

Andy Sell
General Chair

7 years	10.0%	4.0%	6.0%	6.7%

Minimum Policy Premium is \$150.00

Term must be a minimum of 60 days to cover any loss resulting from calving.

This is not a Binder until accepted by Insurance Company Representative

TERMS AND CONDITIONS OF SALE

TERMS: The terms are cash or check on sale day payable to Tom Morris Ltd, in U.S. funds unless other arrangements are made with the seller and management prior to the sale. All payments must be made to the clerk of the sale and no release of animals will be given until satisfactory settlement has been made. Compliance with the above terms of payment on the part of the buyer will then entitle him to the guarantees offered by the seller and listed below.

CHOICES: Terms are 35% down sale day, balance on possession when youngest choice reaches four months of age. Seller will provide GHP genomic testing of all resulting calves prior to selection, at buyer's request.

EXPORT SALES: Buyer assumes all responsibility for health tests required by the importing country.

BIDS: The highest bidder shall be the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal or lot presented for bidding is pledged to absolute sale. In case of dispute, the animal or lot shall be again put up for advance bids, and if there is no advance bid, the animal or lot shall be sold to the person from whom the auctioneer on the stand accepted the last bid. In case two or more claim the bid, the auctioneer in the box shall indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid, and bidding will be restricted to the two or more claimants.

BY-BIDDING: Bidding directly or indirectly by the sole owner of any animal or lot is prohibited. Seller reserves the right to be a member of a buying partnership or syndicate. Bidding by any member of a partnership, syndicate, or other entity having an ownership interest in an animal or lot is permitted.

RISK: All animals located at sale site are at the purchaser's risk as soon as struck off, but will be cared for free of charge until noon the next day. Animals are solely at the seller's risk prior to selling in the event of fire or other eventuality.

TRANSFER OF OWNERSHIP: For all Registered HolsteinsSM, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA and a certificate of registration showing that transfer of ownership will be provided to the buyer free of charge. For embryos, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA free of charge to the buyer.

WARRANTIES:

1) Each seller warrants clear title to the animal or lot, and the right to sell same.

2) To the best of the seller's knowledge, each animal is sound and healthy in every respect and embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations, unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each lot exactly as it is known. Heifers that have never calved are in no way guaranteed as to the condition of their udders following calving.

3) Breeding Warranty: The seller guarantees all animals to be breeders, but not beyond the purchase price, with the following understanding:

Females--Any female when sold that has freshened within 90 days prior to the date of the sale is, by that fact, considered a breeder. Should any other female when fresh over 90 days fail to become pregnant within four months of sale date, or if less than eighteen months old when sold, fails to become pregnant by the time she reaches the age of 21 months, after having been bred to a bull known to be a breeder and after having been examined or treated by a licensed veterinarian, the matter shall be reported in writing to the seller within three months of the stated limit. The seller shall then have the privilege of four months' time in which to prove the animal a breeder by service to a registered Holstein bull before refunding the purchase price or making other settlement satisfactory to the buyer.

Females bred when sold and pronounced in calf are presumed to be pregnant but pregnancy is not guaranteed. The seller makes no warranty that pregnant cows or heifers will deliver calves or that they will carry calves full term. If, after the sale embryos or oocytes are recovered from a female or an attempt is made to superovulate her, this negates the breeding warranty unless there is a separate written agreement between buyer and seller.

4) Health tests completed for this sale will be disclosed. The results of any future health tests are not guaranteed. The seller and sale management hereby notify buyers that according to the State of Wisconsin ATCP Rule 10.21, all animals are sold as originating from a maximum risk paratuberculosis herd. The seller and sale management cannot be held liable. Any animal that is a member of a herd enrolled in an official state supervised Herd Status Program may be identified as such with status level shown.

SHIPPING: Assistance will be given in arranging shipping of animals after the sale. All costs, risks and responsibility will be borne by the buyer.

PEDIGREE INFORMATION: All production, classification, type and production summaries are current. Information recorded on Holstein Association USA pedigrees is used in this catalog. All records, except records in progress, are shown on crude protein scale. Any production records followed by a quotation mark (") have been supplied by the seller. Donor dams are identified.

GENOMIC INFORMATION: If genomic information on the animal or embryo is available, it must be dated and disclosed at or before the time of sale.

ERRORS: The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced. Such announcements take precedence over material printed in this catalog. Neither the editors of the catalog, the sale management, nor the sellers can assume any responsibility for any errors or omissions in the catalog.

ACCIDENT: The sale management, the sellers, and the owner of the grounds will not be responsible in any case for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

RESPONSIBILITY: The seller will represent and be responsible for his animal. In no case, however, will the seller be responsible for any damages beyond the selling price of the animals. Seller's responsibilities and warranties will cease when the animal is resold. Tom Morris Ltd., as sale manager, assumes no responsibility, acting only as an agent, but will endeavor to protect the interests of both buyer and seller.
