TRIBUTE

Fred started this herd over 40 years ago with a purchase of five good registered cows from a local cattle dealer.

From these five cows, Fred has developed the herd that is here today!

Hats off to Fred as you view this catalog. The pedigree's are deep and homemade. Fred's astute management, time spent studying **maternal lines**, and **his love** for what he does is evident.

From one end of the barn to the other, this may very well be the most uniform group of cattle ever bred in New York.

It is our honor and privilege to present this herd to the public for Fred and his family.
