We hope you find excellence with all of your Rob-Cri purchases!

Robert and Christine Barden & Family

And Remmy!

WELCOME to the Rob-Cri Holsteins Complete Dispersal!

After the tornado in 2011, we sold the best of the milking herd and put off our retirement. Now that we have rebuilt the herd and met our last goal of Bob showing cattle at the Futurity with his daughter and granddaughter, we felt it is time to retire.

We want to thank all of the buyers from our herd reduction auction in 1996 and Raising the Roof Sale in 2011. We would also like to thank all the private sale buyers during the 46 years of working with Registered Holsteins.

Lastly, we would like to thank our families, friends and neighbors for their help over the years, whether it was stepping in to watch the kids, harvest crops, putting the farm back together after the tornado, or anything the farm needed help with. If it weren't for family, friends, and neighbors, we would not have had our successes.

Thank you for coming to our final sale. Enjoy the sale. We hope you find our herd to your liking and that the cattle bring you the success that we have had with them.

Bob & Chris Barden • Jeff, Jenny Barden, Meghan, Chase & Wyatt

TERMS & CONDITIONS OF SALE

TERMS: The terms of the auction are cash or check payable to **The Bill Stade Auction Co.** unless other arrangements have been made **prior** to the sale. All payments must be made to the cashier of the sale and no release of animals will be given until satisfactory settlement has been made. Compliance with the above terms of payment on the part of the buyer will then entitle him to the guarantees offered and listed below.

BIDS: The highest bidder shall be the buyer. In case of dispute, the animal shall again be put up for advance bids and if there be no advance bid, the animal shall be sold to the person from whom the auctioneer on the stand accepted the last bid.

WARRANTY: All animals are believed to be straight and right unless otherwise announced or indicated in the catalog. Announcements made on day of auction take precedence over the matter of print in this catalog.

BREEDING: All females, either open or bred, are breeders to the best of the seller's knowledge and belief and have been checked normal. Cattle bred less than 45 days are not guaranteed to be pregnant.

Heifers that have never calved are in no way guaranteed as to condition of their udders following calving. The seller has represented the breeding record of females and service age bulls as accurately as possible, but no male or female is guaranteed as to be a breeder.

JOHNE'S DISEASE: Per Rule ATCP 10.21: Animals not tested for Johne's Disease are classified as **MAXIMUM RISK**. There is no warranty, expressed or implied, that animals being sold within this sale are uninfected with paratuberculosis (Johne's Disease). This is buyer's written notice.

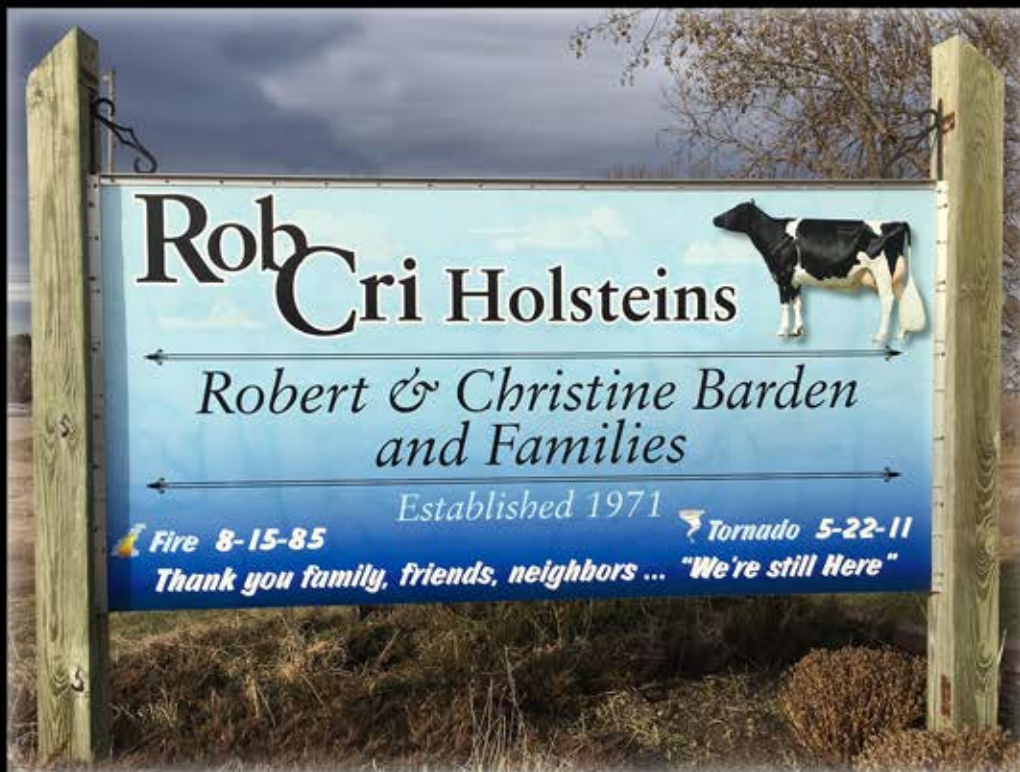

All announcements take precedence over all printed material. Not responsible for any changes in listing.
