HI-PRO & ACCELERANT 44%

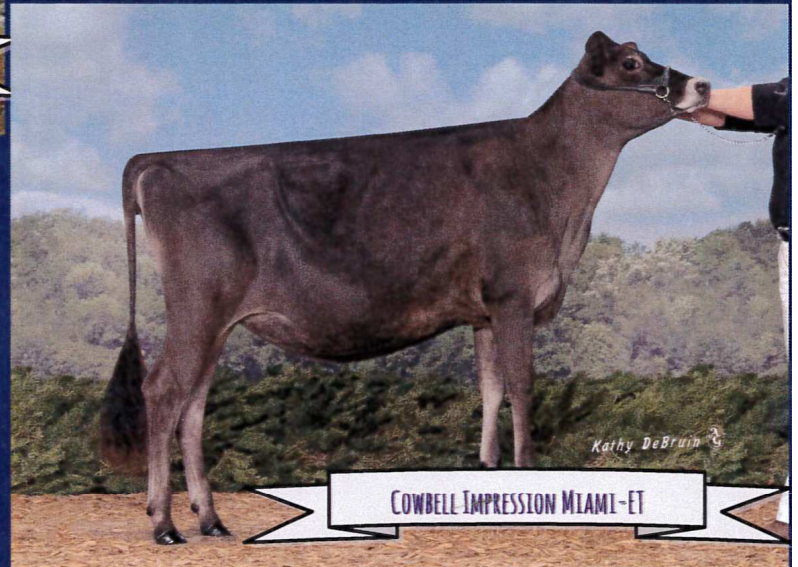

WOODMAN FARM LOCHINVAR ADELE

2016 Unanimous All-American Winter Calf

"Hi Pro and Accelerant 44% have played an important role in our success at Woodman Farm. Since starting on these products, we have had 7 All-American nominations in 3 years, with the highlight being the Reserve Junior Champion heifer at the World Dairy Expo."

-Tyler and Steve Woodman

Kathy DeBruin

COWBELL IMPRESSION MIAMI-ET

2016 Jr. Champion at The New York State Fair

"Since using the Accelerant 44% in our calf and heifer feeding program, we have seen an increase in their growth rate and the "girls" are staying in great condition for the show ring!"

-Christine Sheesley Rozler

"We have been feeding Hi-Pro Accelerant 44% to our show calves and heifers for almost 5 years. The results have been fantastic! They have aggressive appetites with tremendous rib development. The high protein and low fat level of this product allows for optimum skeletal development while keeping there body condition in check so they are show ring ready. They have healthy, silky hair coats as well."

-Jennifer Tierney Bosley
