

2018 National Holstein Convention Sale

**MONDAY, JULY 2, 2018 AT 6:00 PM (EDT)
GRAND TRAVERSE RESORT & SPA, ACME, MI**

June 13, 2018

Holstein Enthusiasts World-Wide,

Welcome to the 2018 National Holstein Convention hosted by Michigan Holstein Breeders! As always, the annual National Holstein Sale will feature the most sought-after genetics the breed has to offer! Ruminant on this, the 90 offerings in this sale have been selected from a population of over 10 million females! As always, the very best of every breeding philosophy will be offered. Breed leading Genomic females for production and type, fancy show individuals from All-Am & All-Can families and the most highly regarded Red and Whites ever bred, will be offered. Many offered in this sale will write new chapters in breed history and return substantial dividends to their new owners. Every genomic offering could produce the next #1 male or female of the breed! Every individual in the Type section offers buyers a chance to breed a show winner and continue a family that has consistently bred true for generations!

The demands placed on the Breeders/Producers and AI units in the U.S. Dairy industry are substantial. Margins have been thin for years, but adversity teaches those willing to learn, how to adjust, to improvise, to move forward. If one wants to stay in the dairy industry, you cannot afford to stand still. The only constant in life is change! The astute breeders that study this year's National Sale catalog, will see virtually every lot as an opportunity to enhance their breeding program. As our friend Horace Backus has always said, "Buy the best and breed them better". This year's National Sale provides every serious Breeder/Producer the chance to control their destiny by doing just that.

We take this time to thank our fantastic sale hosts, the Michigan Holstein Breeders, for all their arduous work behind the scenes and especially Stan Moser and Moss McCauley for their valuable time selecting in Michigan and assisting with all the details. Be sure to Join us on Monday, July 2nd, 2018 at the Grand Traverse Resort & Spa for what should be a tremendous National Holstein Sale!

Sincerely,

David Rama & Daniel Brandt
The Cattle Exchange & Daniel Brandt Pedigrees & Marketing

2018 National Holstein Convention Sale

Monday, July 2, 2018 at 6:00PM (EDT)
Grand Traverse Resort & Spa, Acme, Michigan

RESPONSIBILITIES OF BUYERS & SELLERS

**Many of the Cattle selling in this sale will be selling in absentia.
Please read the details below for obligations of both Buyers and Sellers.**

BUYERS

If your bid results in the purchase of any lot selling in this sale, either at the sale or selling in absentia, you are obligated for full purchase price when the gavel falls! Buyers can protect their investment by procuring insurance at the Clerks table sale day or provide proof of insurance from another Insurance Company. If Buyers do not acquire insurance immediately at time of purchase, Buyer is self-insuring at their own risk! It is not, the Seller's nor the Sale Managers responsibility to insure cattle or guarantee cattle for Buyer once the gavel has fallen! **Buyers assume all risk & rewards!**

Additionally, if you as a Buyer acquires an animal in absentia, that animal is guaranteed to be in good health and condition at time of pick up from Seller's farm. It is the duty of the Buyer to have the animal inspected and approved prior to loading. We suggest that the Buyer retain a certified Veterinarian to inspect said purchase prior to loading. Once an animal is loaded for transport, all obligations of the Seller will cease. Neither Seller's, nor Sale Managers can be held responsible for cattle that are transported, delivered and deemed unacceptable by Buyer. Any issues should be dealt with prior to loading cattle that have sold in absentia. Again, it is the responsibility of the buyers to obtain insurance after purchase or take the risk of self-insuring, not the Sellers or Sale Managers! **Have your absentia purchases inspected prior to loading.**

SELLERS

Any cattle sold in absentia under 4 months of age will be housed at the Seller's facility at no extra charge to buyer until 4 months of age. Seller guarantees a sound, healthy, animal at time of pick up and transport that has been arranged by the Buyer. Sellers will perform necessary tests and a Certificate of Veterinary Inspection (CVI) as required for entry to Buyer's state and for insurance purposes at no extra charge to Buyer. These tests will include TB, Brucellosis, BVD and a Shipping Fever vaccine. Sellers guarantee said animals will pass these tests and these tests only. If a Buyer asks for additional testing the Buyer will be responsible for the extra fees associated with those tests and regardless of the outcome, is obligated to take possession. If an animal is deemed unhealthy at time of pick up by a certified veterinarian, the Seller and Sale Manager will refund 100% of the proceeds paid by said Buyer. If an animal selling in absentia is left at the Sellers farm over 4 months of age, the Buyer will be responsible for board fees of \$6.00 per day until said animal leaves.

The Terms and Conditions above may not be altered without the written consent of both Buyer and Seller.

The National Holstein Convention Sale

The National Sale is that special sale held every year where the finest of every breeding philosophy should be offered! Genomic heifers, females from All-Am and State Show winning dams, maternal lines that have bred true for many Generations, Red & Whites of prominence and so much more! No matter what you breed for, the very best will be here!

Many Genomic Cattle will sell in absentia!

Genomic Section: Lots 1-42

The first section of the National Convention Catalog contains many of the highest Genomic females available in the Holstein Breed. The families they hail from, have proven time and again to more frequently rise to the top on virtually all production, health and type traits.

Success stories abound with the cattle in this section. We have seen numerous breeders purchase past Genomic leaders with astonishing success! Many have leased bulls to AI, others have produced multiple females that have sold well over 6 figures and most important, all are seeing benefits in their herds across the board!

Type! Show winning dams! ~ Lots 43-88 Pedigrees that have stood the test of time!

Let's pause and reflect on some household names like Raven, Apple, Paradise, Elegance, Roxie, Royal Rosa, Barbie and the sires Blackstar, Goldwyn, Starbuck, Outside, Dundee, Durham, Chief Mark, Shottle just to name a few. The foundation and success of our breed was built on the names above as well as others. The pedigrees in this section of the catalog combine the greatest sires our breed has produced with maternal lines that transmit generation after generation. The most prominent type herds in the world were built on the backs of these and other legends! Buy with confidence from this section if you want high scoring individuals that will show, breed true and provide you with a foundation to build upon! Every lot in this section is a history lesson in great breeding!

HOLSTEIN ASSOCIATION TERMS AND CONDITIONS FOR PUBLIC SALES

EFFECTIVE MARCH 2, 1996 - Amended October 1, 1997, June 28, 2000, June 23, 2002, and March 26, 2010

TERMS: The terms of the sale are cash unless arrangements are made prior to the sale or are printed in the sale catalog. Only when the above conditions are met will the buyer be entitled to the warranties listed below. In no case will animals be released unless settlement is made with the clerk of the sale.

RESPONSIBILITY: The seller, buyer, and manager of this sale are obligated to comply with the provisions of these terms and conditions.

EXPORT SALES: Buyer assumes all responsibility for health tests required by the importing country.

BIDS: The highest bidder is the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal or lot presented for bidding is pledged to absolute sale. In case of dispute, the animal or lot will again be put up for advance bids, and if there is no advance bid, the animal or lot will be sold to the person the auctioneer accepted the last bid from. In case two or more claim the bid, the auctioneer will indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

BY-BIDDING: Bidding directly or indirectly by the sole owner of any animal or lot is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring. Bidding by any member of a partnership, syndicate, or other entity having an ownership interest in an animal or lot is permitted.

TRANSFER OF OWNERSHIP: For all Registered HolsteinsSM, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA and a certificate of registration showing that transfer of ownership will be provided to the buyer free of charge. For embryos, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA free of charge to the buyer.

RISK: All animals located at sale site are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a maximum of 24 hours following the end of the sale.

WARRANTIES:

- 1) Each consignor warrants clear title to the animal or lot, and the right to sell same.
- 2) To the best of the seller's knowledge, each animal is sound and healthy in every respect and embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each lot exactly as is known. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership in the case of animals at sale site together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that never calved are in no way guaranteed as to the condition of their udders following calving.
- 3) **Breeding Warranty**
The seller guarantees all animals to be breeders, but not beyond the purchase price, with the following understanding:
 - a. Males - Should any bull after reaching the age of fourteen months fail to prove a breeder after being used for two months on cows or heifers known to be breeders, the matter shall be reported in writing to the seller within three months of the sale date. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed,

by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller. The seller makes no guarantees with respect to the ability to freeze semen.

- b. Females - All females are guaranteed to be breeders with the exception of:
 1. Cows over 7 years of age when sold;
 2. Cows and/or heifers carrying a pregnancy that is the result of an embryo transfer.

Report of a non-breeder must occur in writing within 3 months of the date of sale or before the animal reaches 21 months of age and must be submitted to the seller. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed, by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller.

Females bred when sold and pronounced in calf are presumed to be pregnant but pregnancy is not guaranteed unless so announced. The seller makes no warranty that pregnant cows will deliver calves or that they will carry calves full term.

- c. If, after the sale, embryos or oocytes are recovered from a female or an attempt is made to superovulate her, this negates the breeding warranty unless there is a separate written agreement between buyer and seller.

SHIPPING: Assistance will be given in arranging shipping of the animals after the sale. All costs, risks and responsibility will be borne by the purchaser.

PEDIGREE INFORMATION: All production, classification, type and production summaries are current. Only information recorded on Holstein Association USA pedigrees is used. Any production or classification records supplied by the seller or consignor will be properly identified as provided by owner. Records in progress are identified as such.

GENOMIC INFORMATION: If genomic information on the animal or embryo is available, it must be dated and disclosed at or before the time of sale.

EMBRYO TRANSFER: All registered animals that have resulted from embryo transfer are identified with one of the following suffixes in the name: ET, ETS (from split embryo), or ETN (from nuclear transfer). If unregistered, the appropriate technology will be identified. Donor dams are identified.

HEALTH WARRANTY: The seller will provide an official health certificate to the buyer for each animal showing the results of all health tests made in preparation for this sale as required by the state where the cattle reside. Other health tests completed for this sale will be disclosed.

ERRORS: The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced. Such announcements take precedence over that printed in this catalog.

ACCIDENT: The sale management, the consignors, and the owner of the grounds will not be responsible in any case for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

LIMITATIONS OF WARRANTIES: Warranties contained herein, unless terminated earlier, will cease upon the resale of an animal.
