

## *Welcome to Abbotsford - The City in the Country!*

On behalf of Abbotsford City Council, I welcome you to the Western Canadian Classic Youth Dairy Program. Agriculture is the economic backbone of Abbotsford and the vital link between the social health of the community and the sustainability of the City. The Western Canadian Classic Youth Dairy Program gives residents and visitors the opportunity to celebrate our rich farming history and also promote and educate the importance of agriculture in our community.

Our city is proud to be the home of the Western Canadian Classic Youth Dairy Program. I encourage you to take the time to explore our "City in the Country". Whether it is the historic downtown shopping area, the HighStreet Mall, walking around Mill Lake, exploring our parks or visiting our recreational facilities, I trust you will receive a warm welcome wherever you go. Best wishes to all the participants.

Yours truly,  
Mayor Bruce Banman

## 2014 JUDGES

### **Mike West - Showmanship**

Mike West is a Sire Analyst and Product Support Specialist at the Semex Alliance. Born and raised on a purebred Holstein farm in Bradford, Ontario, West was active on his family's 50-cow, 700-acre Master Breeder herd, Westkal Holsteins. At Westkal, Mike assisted his family by making breeding decisions and participating in all daily activities from an early age.

Mike graduated from the University of Guelph in Ontario in 2000 with a bachelor of science in agriculture degree. While at the university, Mike was actively involved with the judging team, participating in contests throughout Canada and at the international World Dairy Expo Judging Competition in Madison, Wisconsin.

Upon graduation, West was hired as a Classifier with Holstein Canada. Working as a classifier, West not only developed his dairy cattle evaluation skills, but he also gained a valuable understanding of Canadian Holstein breeders and their expectations of the artificial insemination industry.

Mike has served as the official judge for shows in Ontario and British Columbia, and has judged internationally in Japan, Brazil and Costa Rica. In 2012 he was the Official Showmanship Judge for the TD Canadian 4-H Classic at the Royal Winter Fair.

Mike, his wife Alison, and new born son Colton reside in rural Orangeville, Ontario, Canada.

### **Joel Phoenix - Conformation**

Joel and wife Jessica and son Jacob farm 250 acres in Cannington, Ontario.

They have a small herd of Holsteins that they breed and merchandise embryos from under the prefix Dappleview Holsteins. They also have a hay, beef and equestrian business.

Joel has judged the Minnesota State Junior Show, Utah State Fair, South Dakota State Show, Manitoba Spring Show, Uxbridge 4-H Show, Nova Scotia Championship 4-H Show and was Associate Judge at the 2011 World Dairy Expo. For the past 12 years he has traveled around the world as a professional cattle fitter. He has owned or merchandised many All-Canadian and All-American nominations in that time.

### **Kelwyn Hoepfner - Clipping**

Kelwyn Hoepfner was born and raised on Southview Dairy in Morden, Manitoba where his family milks 100 cows and farms 1,300 acres. Throughout his younger years, Kelwyn was a member of the Rocky Ridge 4-H Dairy Club where he was able to gain experience clipping and fitting. He competed in his first clipping competition at WCC in 2003.

Clipping has given Kelwyn the opportunity to travel to Australia, across Western Canada, and multiple trips to World Dairy Expo & the Royal Winter Fair. It was also through WCC that Kelwyn met his wife, Jill, which led him to move to BC. Kelwyn & Jill are now the main herdspeople at Cedarwal Farms in Abbotsford, BC, where they milk 400 cows and farm 300 acres.

### **Thomas Cuthbert - Associate Clipping**

Thomas currently lives near Ladysmith, on Vancouver Island, where he farms alongside his parents, under the Silvermaple prefix. Currently they are milking 115 Holsteins, and cropping 330 acres.

Thomas was involved with the Cowichan Holstein 4-H Club for 11 years, and competed at WCC with Team BC for 9 years. This experience led to fitting jobs in Western Canada, at the Royal, in the USA, as well as travelling to Australia and New Zealand for their summer shows.

An obvious highlight was being able to exhibit Reserve Grand Champion at Madison and the Royal's Intermediate Champion, Silvermaple Damion Camomile.

# Welcome to British Columbia
