Charlyn Colton Nicki (VG-85), Charlyn Jerseys, Warwick, ON, Robinson

“COLTON is the combination bull! He has the bloodlines for profitable production, high components plus a big-time show and high-profile pedigree. His dam, Family Hill Connection Chilli-ET (E-91%), hails from the world-famous Pleasant Nook F Prize Circus (E-97%)! In Canada there are already 11 Very Good two-year-olds out of 52 classified. From what I've seen and heard from breeders in the U.S. and Canada, COLTON will put sweet udders on his daughters! We have four COLTON heifers, they have the square cut, wide, flat rumps, deep rib and a great cut to make cows. Two were second and third fall calves behind the junior champion in a strong class at the Maryland State Fair. Don't miss out on COLTON - I believe he is going to do exciting things!”

- Michael Heath, Spring Valley Jerseys, Westminster, MD
