Prock is the dam of the five August Jedi, all selling at the West Union, Iowa, Fairgrounds.

This maternal line descends from Zip and includes the No. 1, 2, 6 and 8 top GTPI cows in the United States today.

The Iowa Spring Extravaganza on March 25 has been a leading source of show winners since 1977.

The 2016 World Dairy Expo included eight class winners among four different breeds, each purchased in the Iowa Extravaganza Series. This year's sale will also include some breed leading GTPI Holstein calves and embryo packages, all offered early in the sale with cowbuyer.com providing coverage.
