2017 Junior Dairy Show

WCC 2017

Moo-ner Landing

August 21-26, 2017

Weyburn, SK

WestGen™

LOGAN CHALACK MEMORIAL AWARD

Each year WCC will be presenting an award based on personality, leadership, team work and work ethic. This award was started in 2016 in memory of Logan Chalack of Wendon Holsteins, a past WCC participant and Holstein breeder.

Logan Chalack passed away on June 28th, 2016, after a short battle with Cancer. He had a great passion for cattle breeding & livestock genetics and was a great supporter of Western Canadian genetics. Logan was a great judge of cattle and had amazing cow sense.

He helped to build to Wendon Herd along-side his parents, Don and Wendy, to what it is today and was a key player in the new robot barn expansion

in 2015. Wendon's success in breeding is apparent through 2 MasterBreeder Shields and 11 All-Canadian Nominees. At the 2016 National Holstein Convention show Logan and his family's enthusiasm and preparation paid off with Wendon bred cattle capturing Grand and Reserve Champion along with winning Breeders Herd and Premier Breeder and Exhibitor. Logan and his sisters Linsey and Jillian were active 4-H members in both beef and dairy. Logan was also involved in the Angus business with his mom, Wendy and enjoyed breeding and dabbling in project steers.

There is no place Logan loved to be more than at home in his barn with his cows, or spending time with his family. He was an amazing husband to Charity, father to Chloe, brother to Linsey (Shawn) and Jillian (Scott) and nieces and nephews: Paige, Nathan and Marshall, with his niece Maddyn born just after Logan passed away. He was a bright light, loved by all who knew him, a good friend to so many. Logan was kind, generous and smart and loved nothing more than to make a deal or buy or sell a good cow. He was a leader in everything he did, had amazing work ethic, was a team player and he had a great zest for life. Logan loved to play pranks on his friends but was never mean or cruel when doing so and he always accepted payback graciously. There are very few of us who knew him that did not have an entertaining Logan story.

Logan's life was much too short, but we can all take a page from his story in that he lived every day and each moment to the fullest. He filled it with laughter, fun and adventure and passion for his family, friends and his livelihood.

Logan Chalack Memorial

Greetings from the Mayor of Weyburn, SK

As Mayor, on behalf of Weyburn City council and residents, I wish to welcome the 33rd Western Canadian Classic Junior Dairy Show and its participants to Weyburn, SK.

Weyburn is very much an agricultural community. This welcomed event taking place at the Weyburn Agricultural Society on August 22-26, 2017, will not only be a great opportunity for the young participants from four western provinces to learn and compete, but will also serve as inspiration for local youth who currently partake or aspire to take part in dairy competitions!

Thank you to the sponsors and organizers for their hard work in organizing and bringing this event to Weyburn. I'm confident participants traveling to Weyburn will find Weyburn to be a very inviting, beautiful community with a lot to offer its visitors and event organizers. Good luck to all the participants!

Marcel Roy, Mayor

2017 JUDGES

Callum McKinven - Conformation Judge

Callum co-owns and operates Lookout Holsteins and Jerseys with his wife, Katherine and three daughters, Tara, Brooke, and Alana, in Canton de Hatley, Quebec.

Born on a dairy farm, Callum graduated from MacDonald College with a diploma in agriculture. A dedicated 4-H member, he came to appreciate a good animal, regardless of its breed. He is a respected breeder, showman and judge.

Raising over 200 head and milking 30 cows, the McKinven family is active in showing and marketing animals in North America and around the world. They have twice owned the Junior Champion female at the Royal Agricultural Winter Fair, as well as an Intermediate Champion. The farm has garnered many All-Canadian and All-American awards.

Callum is a Canadian Official judge who is internationally renowned having judged in over 31 countries around the world and for all breeds. In North America, he has judged every major show including the National Black and White Holstein show in 1997 and 2012 at the Royal Agricultural Winter Fair, in addition to judging the Ayrshires, Jerseys and Brown Swiss. Callum has judged at World Dairy Expo ten times and has also officiated both the Showmanship and Conformation at the TD Canadian 4-H Dairy Classic, as well as the former President's Cup showmanship competition. Callum was the Official Judge for the last two World Holstein Conference shows in Dublin, Ireland, in 2008 and in Toronto, Canada, in 2012. He also judged the Hokkaido National Show in Japan in 2015 and the South African National Show in 2016.

Steve Fraser - Showmanship Judge

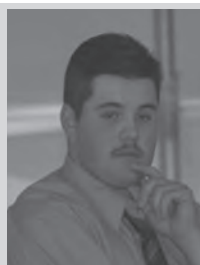

Steve, along with his wife Jackie, live in Fergus, Ontario, where they own and operate Fraeland Farms. Fraeland Farms is a Master Breeder herd that milks approximately 90 Holsteins. Steve has had many achievements over the years including the honours of being Champion Showperson and having Champion Calf at the Hays Classic, which is now known as the TD Canadian 4-H Dairy Classic Show at the Royal Agricultural Winter Fair. Additionally, Steve has had a very successful judging career from officiating at over 20 4-H shows, multiple county shows, championship shows and Breeders Cups throughout Ontario. Furthermore, Steve has also had the opportunity to judge internationally at the Brown Swiss show at International Dairy Week in Australia and the Senior Showmanship class at the World Dairy Expo in Madison, Wisconsin.

Ryan Friesen - Clipping Judge

Ryan Friesen will be this years Clipping Judge during the 33rd annual WCC event in Saskatchewan. Ryan along with his wife Nancy and parents Ken and Donna co-own and manage Kenbert Acres in Drake, Saskatchewan. They milk 100 cows, mostly purebred Holsteins and a few Jerseys and farm 1700 acres. Their herd classification consists of 14 EX, 65VG and 35 GP. They enjoy exhibiting at many shows in Western Canada including Red Deer, Leduc and some smaller local shows. Ryan has been involved as a 4-H leader, coaching WCC for team Sask as well as being a WCC participant for many years.

He has also lead many 4-H clipping and judging days, and enjoys the chance to pass on skills to the future of the industry. Ryan is a director for the Saskatchewan Holstein Branch and part of other community organizations. Ryan has had the great opportunity to judge various regional and 4H shows in all 4 western provinces. He has a great passion for the dairy industry and the future it holds for his family and people and friends in the Industry.

Michael Flaman - Associate Clipping Judge

Michael Flaman participated in WCC for 11 years. A few highlights from his career included being Grand Champion showman in 2015 as well as being the Overall Champion aggregate in 2014 and 2015 giving him the chance to participate in Belgium for the European Young Breeders School in 2016. In 2017 Michael made the aspiring judges list for Saskatchewan. He currently works on the family farm, Chris-Adie Holsteins, in Vibank, SK, where he and his parents, Matthew and Tricia, milk 65 cows in a tie-stall facility

Welcome to Saskatchewan

I would like to welcome the participants, parents, chaperones and guests to Weyburn for the 33rd annual WCC competition. As the participants come together this week we will see the building and shaping of character into these young people of the dairy industry that will leave memories for a lifetime. May you all have an enjoyable week competing, sharing, and laughing together.

A big thank you to all our sponsors for your continued support as well as thank you to all the people of Saskatchewan who have in some way helped and given of their time to make this a great event.

Thank You,

Art Pruim

MUTUAL FIRE INSURANCE

western general
good to know™

It's more than hands-on, it's
Student-Managed.

That's what makes a Lakeland College education different. You learn the theory in class and then apply it to a real dairy business.

Our Animal Science Technology students (including those majoring in dairy) make production and management decisions and put them to test on the Student-Managed Farm - Powered by New Holland.

Starting this fall, students will take the lead in our new Dairy Learning Centre that they helped design. Equipped with state-of-the-art technology including robotic and conventional milking systems, it will house our 120 milk cow operation and associated young stock.

History & Previous Champions

The Western Canadian Classic Junior Dairy Show was started by a group of volunteers from BC, Alberta, Saskatchewan and Manitoba. The first committee consisted of Bruno Giacomazzi, Gordon Rendle, John Blair, Carol Wright, Dwayne Congdon, Don Chalack, Larry Brack, Dale Strudwick, Glenn Gurr and Desmond Donohoe. The committee designed a concept of hosting a competitive show dashed with social functions to promote friendly interaction between participants for all four provinces. A set of objectives was established and these have been met over and over again each year.

- ∞ To provide a learning experience for our dairy youth ∞ An opportunity for friendly competition
- ∞ To stimulate friendships amongst Western Canadian young dairy enthusiasts
- ∞ An opportunity for agri-business to participate in our youth today
- ∞ An opportunity for your youth to learn from agri-business ∞ To promote the dairy industry to the public
- ∞ To help maintain or stimulate interest in agriculture

The first WCC was held in 1985 in Saskatoon, Saskatchewan. The show consisted of three showmanship classes, three conformation classes, judging and pedigree competitions, best of three class, and stall competition. Over the years the Classic has grown and matured and now consists of; three showmanship classes, seven conformation classes, judging and pedigree competitions, a dairy science quiz which involves general dairy anatomy and nutrition questions, Best of Three class, Stall Competition, Clipping Competition, Highest Overall Individual and the coveted Premier Province Award.

GRAND CHAMPION CALF

1985 Wrightside Mattador Sonata, Lexi Wright, AB

2016 Mike Podschadly, BC

WestGen[™] is pleased to be the major sponsor of the 33rd Western Canadian Classic Junior Dairy Show

The Western Canadian Classic (WCC) is a remarkable initiative that brings together dairy youth from across the four western provinces. For years, WestGen, has proudly put its full support behind the WCC, the WestGen Education Award Program, each of the 4-H Provincial Councils and numerous other dairy youth development programs. After all, properly preparing our youth is a crucial foundation on which the strong dairy industry of tomorrow will be built. We're proud to be a part of the show in Weyburn this year.
