

BODNAR HOLSTEINS

COMPLETE DISPERSAL

Mission Statement: “Quality Milk from Quality Cows”

The above statement has been the goal for the past 42 years of “Bodnar Holsteins”.

In 1951, at the age of two months, my parents Louis and Marlene Bodnar brought me to this very location. During my teen years I made every effort to attend local fairs and farms just to admire the beautiful black and white cows.

Leaving the farm for the state of Colorado to receive a degree in education, it was always in my mind to return home to the family farm, pursue the farming lifestyle, and develop a herd of registered cattle.

Starting with 54 grade cows, I was on my way to building a herd of cattle that was a pleasure to get up in the morning for.

My first purchases were from Carousal Sales during the 1980’s, as well as an equal amount of animals from local neighbors. Grade cattle were gradually replaced by 100% registered Holsteins and only 100% sires are used to this day.

Over the years this herd has provided myself and my family with a comfortable standard of living. Registered Holsteins have opened up many opportunities such as purchasing the Silvernail Farm in 1983, the Clark Farm in 1989, and the Hill Farm in 1997. These land acquisitions led to doubling the herd size in 1999. Averaging over the years, 85 to 95 mature cows with my last BAA of 106.3.

My original dream was to try to breed a county fair Grand Champion. I soon realized that I would need the help of others to achieve this goal and by utilizing the skills of other individuals, was able to accomplish this goal and so much more.

The following results were obtained:

2008- Bodnar Aspen Dandy was nominated All American and All Canadian. Fall heifer calf. Partners Ric and Shannon Allyn and Michael Heath.

2011- Bodnar Ray Buttercup
Reserve All New York 4 yr old
Owned by Van Buren to Ross

1989- Bodnar Strategy Big Cat
Honorable Mention Jr All New York
Owned by Lomeo to Fullington

2009-present
Multi Winning Campaigner
Bodnar Bacardi Belle
Owned by Brett and Sara Roberts

However, my most joy came from the relationship that I have developed over the years with John and Nichole Wright and their families, always putting the cattle’s safety first, but putting every effort to exhibit them to their full potential. We have been able to produce at least Six Grand Champions, 2 Reserve Grands, 2 Intermediate, and 1 Reserve Intermediate Champion. 6 best 3 females and several Premier Breeder Banners.

Our favorite individual was Bodnar Mandelin SABRA EX 93-4 E. Known as “The Mandelin” she was three time Grand Champion and total performance cow at a fourth show. She is pictured on the center of our farm logo and is buried here on the farm lawn.

Thank you for your interest. Hopefully you have an opportunity today to put Bodnar Holstein in your care and experience some of the same joy and success that we have had over the years.

Thank you
Lou Bodnar

HOLSTEIN ASSOCIATION TERMS AND CONDITIONS FOR PUBLIC SALES

EFFECTIVE MARCH 2, 1996 - Amended October 1, 1997, June 28, 2000, June 23, 2002, and March 26, 2010

TERMS: The terms of the sale are cash unless arrangements are made prior to the sale or are printed in the sale catalog. Only when the above conditions are met will the buyer be entitled to the warranties listed below. In no case will animals be released unless settlement is made with the clerk of the sale.

RESPONSIBILITY: The seller, buyer, and manager of this sale are obligated to comply with the provisions of these terms and conditions.

EXPORT SALES: Buyer assumes all responsibility for health tests required by the importing country.

BIDS: The highest bidder is the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal or lot presented for bidding is pledged to absolute sale. In case of dispute, the animal or lot will again be put up for advance bids, and if there is no advance bid, the animal or lot will be sold to the person the auctioneer accepted the last bid from. In case two or more claim the bid, the auctioneer will indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

BY-BIDDING: Bidding directly or indirectly by the sole owner of any animal or lot is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring. Bidding by any member of a partnership, syndicate, or other entity having an ownership interest in an animal or lot is permitted.

TRANSFER OF OWNERSHIP: For all Registered HolsteinsSM, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA and a certificate of registration showing that transfer of ownership will be provided to the buyer free of charge. For embryos, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA free of charge to the buyer.

RISK: All animals located at sale site are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a maximum of 24 hours following the end of the sale.

WARRANTIES:

- 1) Each consignor warrants clear title to the animal or lot, and the right to sell same.
- 2) To the best of the seller's knowledge, each animal is sound and healthy in every respect and embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each lot exactly as is known. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership in the case of animals at sale site together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that never calved are in no way guaranteed as to the condition of their udders following calving.
- 3) **Breeding Warranty**
The seller guarantees all animals to be breeders, but not beyond the purchase price, with the following understanding:
 - a. Males - Should any bull after reaching the age of fourteen months fail to prove a breeder after being used for two months on cows or heifers known to be breeders, the matter shall be reported in writing to the seller within three months of the sale date. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed,

by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller. The seller makes no guarantees with respect to the ability to freeze semen.

- b. Females - All females are guaranteed to be breeders with the exception of:
 1. Cows over 7 years of age when sold;
 2. Cows and/or heifers carrying a pregnancy that is the result of an embryo transfer.

Report of a non-breeder must occur in writing within 3 months of the date of sale or before the animal reaches 21 months of age and must be submitted to the seller. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed, by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller.

Females bred when sold and pronounced in calf are presumed to be pregnant but pregnancy is not guaranteed unless so announced. The seller makes no warranty that pregnant cows will deliver calves or that they will carry calves full term.

- c. If, after the sale, embryos or oocytes are recovered from a female or an attempt is made to superovulate her, this negates the breeding warranty unless there is a separate written agreement between buyer and seller.

SHIPPING: Assistance will be given in arranging shipping of the animals after the sale. All costs, risks and responsibility will be borne by the purchaser.

PEDIGREE INFORMATION: All production, classification, type and production summaries are current. Only information recorded on Holstein Association USA pedigrees is used. Any production or classification records supplied by the seller or consignor will be properly identified as provided by owner. Records in progress are identified as such.

GENOMIC INFORMATION: If genomic information on the animal or embryo is available, it must be dated and disclosed at or before the time of sale.

EMBRYO TRANSFER: All registered animals that have resulted from embryo transfer are identified with one of the following suffixes in the name: ET, ETS (from split embryo), or ETN (from nuclear transfer). If unregistered, the appropriate technology will be identified. Donor dams are identified.

HEALTH WARRANTY: The seller will provide an official health certificate to the buyer for each animal showing the results of all health tests made in preparation for this sale as required by the state where the cattle reside. Other health tests completed for this sale will be disclosed.

ERRORS: The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced. Such announcements take precedence over that printed in this catalog.

ACCIDENT: The sale management, the consignors, and the owner of the grounds will not be responsible in any case for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

LIMITATIONS OF WARRANTIES: Warranties contained herein, unless terminated earlier, will cease upon the resale of an animal.

MAKING YOUR MARKETING EASY

Reasons to Advertise in the *HolsteinWorld Exclusive*

- Advertising Creates Traffic
- Advertising Attracts New Customers
- Advertising Encourages Repeat Business
- Advertising Generates Continuous Business
- Advertising is an Investment in Success
- Advertising keeps you in the Competitive Race
- Advertising keeps you Top-Of-Mind with Breeders
- Advertising gives your Farm a Successful Image
- Advertising Maintains Morale
- Advertising Brings in Big Bucks!

"We recognize that HolsteinWorld Exclusive is THE traditional publication for the breed and that many people look for it to hit their mailbox, particularly in certain parts of the country. Our association with HW to help us market our genetics is a valued relationship and we rely on that circulation to gain visibility. Though digital traffic is high we still aim to reach those who prefer a high quality hard copy in their hands!"

-Ethan Heinzmann, Golden Oaks Farm
