

Top Ontario Herds by LPI for April 2019

The results are in from the Canadian Dairy Network (CDN) on the top LPI herds in Ontario! CDN has calculated the top herds in Ontario by LPI based on the April 2019 proof release and grouped them according to size. Note that below, %G is the percent of the herd that have been genomically tested. In the event of a tie, the herd with the largest number of cows broke the tie.
