## Stars of Liddleholme ~ Spring Opportunity Sale May 4, 2019

Cattle have been tested negative for BVD and interstate health papers will be written sale day!  
If you make a purchase via Cowbuyer or make an absentee purchase and are unknown to the Sale Management your purchase will be held until payment has been received. We do accept money wires!  
No cattle will be released unless payment has been made in full or you are known by sale staff!

*Cattle purchased for Canada will require extra testing and health permits. An extra \$100 fee per head will be assessed for any cattle going to Canada to help cover fees associated with testing.*
