

Greetings from the Mayor of Olds, AB

My name is Michael Muzychka and I am the Mayor of the Town of Olds.

It is my pleasure to welcome all of you young adults to the Western Canadian Classic in Olds, Alberta!

The Town of Olds is situated in the heart of Central Alberta surrounded by some of the best agricultural land and dairy operations.

As you spend the next five days in our community, we encourage you to join in friendly competition, grasp the opportunity to learn from one another, and enjoy the many new friendships you will make.

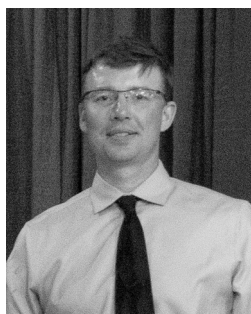

The Western Canadian Classic is your opportunity to promote and develop dairy in the future of agriculture.

Yours truly,

Michael Muzychka - Mayor

2019 JUDGES

Richard Osborne - Conformation Judge

Richard Osborne along with his wife, Teresa and children Easton and Sienna, operate Willow Creek Genetics and milk approximately 100 Holsteins and Jerseys in Hagersville, Ontario.

They show at their county, provincial and national shows and have received All-Ontario and All-Canadian nominations for animals that they have bred. Richard has officiated at many 4-H, Holstein and Jersey shows throughout Ontario.

A highlight of Richard's judging career has been judging the Lucknow 4-H Show, one of the largest 4-H shows in Canada. He has also had the opportunity to judge internationally in the Dominican Republic for their National Jersey and Brown Swiss Show. Richard has been a member on the Nominating Committee for Jersey Canada's All-Canadian and All-Ontario Judging programs.

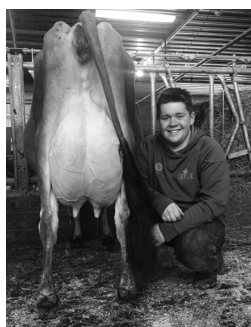

Curtis McNeil - Showmanship Judge

Curtis & Cathy McNeil (Kids Sam, Beth & James) along with his parents Glen and Vanda operate Heather Holme Holsteins in Goderich, Ontario.

Heather Holme is a three-time Master Breeder Herd that consists of 70 milking cows in a sand bedded free stall, with plans to milk 110 when the barn is full.

Curtis has always shown a keen interest in showing which lead him to work as a cattle fitter before he returned to his home farm. His travels took him to eight different countries where he helped breeders prepare their cattle to show. Curtis was the first person to be Champion show person at the TD Classic 4-H Dairy Classic and the President's Cup at the Royal Agricultural Winter Fair in the same year. Having competed and succeeded at the highest level in 4-H, Curtis has used these experiences to help 4-H members in his area as a 4-H leader and serving on many committees.

Lee Morey - Clipping Judge

Lee Morey owns and operates Unique Valleystream Genetics alongside his parents Dave & Tracy and sister, Casey. The herd is Canada's largest purebred Jersey herd and shows top end genetics across Canada and the United States.

A 12 year 4-H member, Lee always enjoyed working with cattle, showing and fitting. He was a member of the Alberta WCC team for 10 years, being competitive across the board and winning the clipping competition 6 times. In his final year Lee was the recipient of the European Young Breeders Trip and is looking forward to representing Canada and WCC next week in Belgium.

Lee has fitted cattle across North America and the world and now saves his clipping talents for the Unique show string! He is looking forward to working alongside Chad Crest to evaluate the clipping competition and wishes all of the participants the best of luck at the Mexican Moo-esta!

Chad Crest - Associate Clipping Judge

Chad Crest, a fourth generation dairy farmer, farms with parents Robert and Sue Crest and sister Katelyn at Skycrest Holsteins near Athabasca, Alberta. Skycrest operates a 66 head tie-Stall operation. The herd consists of 29 EX, 47 VG & 8 GP cows with an RHA of 269-303-267. They have bred All-Canadian and All-American nominees and numerous All-Westerns. They farm 2000 acres of canola, wheat, barley, oats and 500 acres of hay.

Chad was an Alberta 4-H and WCC member for 10 years. He has travelled fitting for other breeders in the past, and now focuses on the Skycrest string at shows and working on farm where he is involved in the day to day operations along with mating and bull sales.

He is the President of the Country Roads Holstein Club, an Aspiring Judge with Holstein Canada, and has judged the 4-H and Okanagan shows.

He is honoured to have received the Andrea Crowe Award of Achievement in 2017.

Welcome to Alberta

It is with great pleasure the Alberta WCC Committee and Team welcomes you to the 35th Western Canadian Classic in Olds, Alberta. During the week of August 20th a total of 100 young adults and youth between the ages of 12-21 will take part in clipping, judging, dairy science quiz, showmanship, confirmation and stall competition with the Mexican Moo-esta theme in mind. Many fun activities throughout the week along with the competition will provide an opportunity for our youth to improve their skills in leadership, teamwork, citizenship, and public speaking.

During this event the participants will have the opportunity to meet new people and to stimulate and maintain interest in the agriculture industry. This is also a great opportunity for Agri-Businesses to participate in the development of youth in the future of agriculture through sponsorship and volunteering. We want to thank all of our sponsors for their support, we could not put on this show without you! Special thanks goes to Westgen for their continued support as our Supreme Sponsor, as well as Alberta Milk, the Alberta Holstein Branch, Nutri-Source and Holstein Canada for their significant contributions.

Thank-you to the AB committee, parents and volunteers who have helped organize this event. We hope everyone enjoys our "Mooesta" themed week and we wish you all safe journeys home!

Sincerely,
Lexi Wright

History & Previous Champions

The Western Canadian Classic Junior Dairy Show was started by a group of volunteers from BC, Alberta, Saskatchewan and Manitoba. The first committee consisted of Bruno Giacomazzi, Gordon Rendle, John Blair, Carol Wright, Dwayne Congdon, Don Chalack, Larry Brack, Dale Strudwick, Glenn Gurr and Desmond Donohoe. The committee designed a concept of hosting a competitive show dashed with social functions to promote friendly interaction between participants for all four provinces. A set of objectives was established and these have been met over and over again each year.

- ∞ To provide a learning experience for our dairy youth ∞ An opportunity for friendly competition
- ∞ To stimulate friendships amongst Western Canadian young dairy enthusiasts
- ∞ An opportunity for agri-business to participate in our youth today
- ∞ An opportunity for your youth to learn from agri-business ∞ To promote the dairy industry to the public
- ∞ To help maintain or stimulate interest in agriculture

The first WCC was held in 1985 in Saskatoon, Saskatchewan. The show consisted of three showmanship classes, three conformation classes, judging and pedigree competitions, best of three class, and stall competition. Over the years the Classic has grown and matured and now consists of; three showmanship classes, five conformation classes, judging and pedigree competitions, a dairy science quiz which involves general dairy anatomy and nutrition questions, Best of Three class, Stall Competition, Clipping Competition, Highest Overall Individual and the coveted Premier Province Award.

GRAND CHAMPION CALF

1985 Wrightside Mattador Sonata, Lexi Wright, AB
