CHERS AMIS ÉLEVEURS

Le 17 novembre 2021, se tiendra à la Ferme Jacobs, la 2^e édition de la vente *The Best of Jacobs Sale*.

Pour l'occasion, il nous fera plaisir de vous accueillir et nous espérons que cette journée restera gravée dans l'histoire du monde de la race Holstein, et sera aussi mémorable que la première édition autant pour les acheteurs et pour nous.

Vous trouverez à l'intérieur de ce catalogue plus de 150 sujets et nous sommes convaincus que certains sujets susciteront votre attention. Les sujets que nous avons soigneusement sélectionnés pour la vente, proviennent de familles reconnues internationalement pour leur succès dans les arènes d'exposition, leur conformation, leur production, ainsi que pour leur haut potentiel à transmettre leur génétique.

Même s'il fait toujours un pincement au cœur de laisser partir des animaux qui nous sont chers, nous estimons que la dispersion de ceux-ci ainsi que de leur valeur génétique aura de nombreux effets bénéfiques au Canada et dans le monde.

Nous sommes pour le moins enthousiastes à propos de notre troupeau actuel et espérons que nos efforts vous plairont.

En vous souhaitant le meilleur succès dans vos achats et bonne chance à tous.

DEAR BREEDER FRIENDS

*On November 17, 2021, the second edition of **The Best of Jacobs Sale** will be held at Ferme Jacobs.*

It is a pleasure to welcome you for this occasion, and we hope that it will remain engraved in the history of the Holstein breed as a memorable day for buyers and for us.

In this catalogue, you will find more than 150 cattle, many of which are sure to catch your attention. The animals that we have carefully selected for this sale come from internationally recognized families based on their success in the show ring, their conformation, their production, and their high genetic potential.

While it is always heartbreaking to let go of animals that are so dear to us, we believe that these animals and their genetic value will have numerous positive effects in Canada and around the world.

We are excited about the current state of our herd, and we hope that you will enjoy our efforts.

We wish you the best of success in your purchases and good luck to all.

Sincèrement / Sincerely

JEAN / MARIAN / YAN / YSABEL

FACILITER NOTRE TRAVAIL ET AMÉLIORER LE RENDEMENT EN LAIT DE NOS VACHES

« La balance certifiée intégrée permet d'avoir un système beaucoup plus stable et de faire nos tests sans avoir besoin d'une machine de plus.

Ça facilite notre travail énormément. Ce que nous aimons particulièrement c'est l'option phase de massage. Ça permet une préparation du trayon uniforme et surtout de stimuler davantage les vaches qui en ont besoin, surtout celles en fin de lactation. »

Udder Comfort est honoré d'être le premier choix lorsqu'il est question des soins du pis chez les Jacobs depuis maintenant 10 ans!

Uniquement le meilleur pour la Championne Suprême Shakira!

« Nous utilisons Udder Comfort™ depuis 10 ans sur nos vaches d'exposition ainsi que sur nos fraîches vèlées pour révéler la qualité et la texture des pis » explique Ysabel Jacobs de Ferme Jacobs située à Cap-Santé, Québec. Ils appliquent quotidiennement le Udder Comfort en crème durant les expositions, mais aussi après chaque traite durant les 3 premiers jours suivant le vêlage. Le conjoint d'Ysabel, Tyler Doiron, a mené Erbacres Snapple Shakira EX-97-CAN à sa consécration de Championne Suprême de la World Dairy Expo 2021. Par ailleurs, Ferme Jacobs a remporté pour la 9^e fois la bannière du meilleur éleveur à Madison!

NOTES

TERMS AND CONDITIONS OF SALE

TERMS

Payments of the price shall be made in cash, and animals shall not be released to the buyer until satisfactory settlement has been made

BIDS

The Auctioneers shall accept all bids, other than those considered to be irresponsible, and the bidder offering the highest bid shall be the buyer. In case of dispute as to the successful bidder, the animal shall again be put up for advance bids, and if there be no advance bid, the animal shall be sold to the bidder from whom the auctioneer accepted the last bid.

Every animal advertised for sale at auction is pledged to absolute and positive sale (unless withdrawn for just cause prior to being offered for sale).

By-bidding is prohibited except in the case of a joint ownership when the purpose of the bidding is to re-apportion the owners' shares and provided that the intention to so bid and the purpose thereof is announced prior to all bidding for the animal in question.

All reserve bids of guarantees of price to be received from the sale of any animal are prohibited.

FIRST CHOICES#

The successful bidder of a Choice has the opportunity to select his/her choice from resulting offspring (often from several pregnancies). Terms for Choices are as follows: 35% down on sale day, balance on possession when the youngest choice reaches four months of age. Should an acceptable sound healthy calf not result from the respective flush or flushes, the following steps will be taken to fulfill the purchase agreement. Seller will offer choice of other flushes or calves that are available from the donor. If no pregnancy is available, the seller shall provide the buyer a healthy calf from another cow of equal value. Sale management will mediate with buyer and seller on any issues regarding choices, however Sale management is NOT liable to buyer or seller regarding refund of any sale commission.

RISK

Animals purchased at auction shall be held at the buyers' risk as soon as they have been struck off as sold.

ERRORS

Any error noted in the catalogue will be announced from the Auctioneer's stand. Any announcements from the Auctioneer's stand will take precedence over any matter in the catalogue.

CERTIFICATES

Each animal offered for sale as registered, must be registered in the Herd Book of the Association. If any animal is offered for sale as eligible for registration, the seller and the sales manager are responsible for obtaining the certificates of registry, and application therefor must be made before the animal is sold. If the certificate of registry, together with the certificate of transfer, are not provided to the buyer within 60 days following the date of the sale, the buyer is entitled at his option to return the animal and to a refund of the purchase price. Certificates of registry and transfer shall be provided by the seller to the buyer without charge.

PURITY

All animals are 100% pure unless otherwise specified.

EXPORT

- Where the seller agrees to stand export health tests (and in the case of an auction begins), the animal shall be considered at the seller's risk when sold or in the case of an auction, struck off. If, however, the animal subsequently fails to pass any of the relevant health tests within 180 days of the sale, then at the buyer's option, the contract may be rescinded, the animal returned and the sale price (if paid in whole or in part) shall be refunded. The sale price is payable and the contract of sale considered to be executed and final, upon the animal passing the stipulated health tests, or upon the expiration of 180 days, whichever shall first occur.
- The animal may be left in the seller's custody until the sale is rescinded or becomes executed and final. In that event, the seller shall not be liable to the buyer for any loss or injury provided the seller shall reasonably care for and feed the animal while in his custody.
- All necessary arrangements for export health tests will be made by and at the expense of the buyer

Information or comments supplied by the Sale Management are indicated by #.

WARRANTIES

The seller warrants clear title to and the right to sell each animal offered for sale. All animals offered for sale are warranted to be sound. Unless otherwise stated, all animals are guaranteed to be breeders in accordance with the following:

a) MALES

Should any bull after reaching the age of one year fail to prove a breeder after being used for four months on cows known to be breeders, the matter shall be reported in writing to the seller, who shall be entitled to a period of four months following the date of such notice in which to prove the bull a breeder. If the seller fails to prove the animal a breeder, the animal shall be returned to the seller and the sale price refunded at the buyer's option. In order to qualify as a breeder, a bull must be able to perform a natural service.

b) FEMALES

Save as hereinafter excepted, all females fifteen months of age or older at the date of sale are guaranteed to be breeders. Should a female which has not yet freshened be sold, not pregnant, having reached the age of fifteen months and fail to come pregnant within four months after service to a registered bull of the same breed known to be a breeder, and after treatment by a qualified veterinarian, such circumstance shall be reported to the seller in writing. The seller fails to prove the female breeder, the sale may be rescinded and the sale price refunded at the buyer's option.

- c) A female which gave birth to a calf within a period of three months prior to the date of sale is deemed to be a breeder.
- d) A female pregnant when sold is deemed to be a breeder.
- e) There is no guarantee that a female which, after the sale, is subjected to multi-ovulation or single-embryo transfer, is a breeder.
- f) Females under fifteen months of age at the date of sale are sold subject to a guarantee that such a female will, upon attaining 12 months of age, be certifiable by a qualified veterinarian as possessing adequately developed reproductive organs.
- g) There is no guarantee that a female:
 - i) will give birth to a normal calf, or
 - ii) carry a calf full term.

GENERAL

The sales manager is the seller's agent and is not personally responsible for any warranties, guarantees or representations made bona fide in reliance upon information provided by the seller. The seller is responsible for all such warranties, guarantees and representations.

Complaints should be made to the seller or sale manager before the close of the sale.

In all cases the seller's responsibility to the buyer is limited to the sale price paid by the buyer.
