

# PRIDE of CARPSDALE SALE

MAY 5, 2022 · Enosburg, Vermont

# *Welcome*

*Fellow Holstein Breeders and Enthusiasts,*

*Welcome to the Pride of Carpsdale Sale. On the pages of this catalog, you will find pedigrees from generations of dedicated breeding of the best cow families in the industry. The Carpenter Family has a great passion for the purebred Holstein business, and they have had great success over many decades.*

*Carpsdale was started by Jim's parents John and Betty Carpenter in 1957. The operation changed locations as John and Betty acquired new land and new farms. In 1979 Jim and Suz-Anne purchased the operation and took over full time running of the farm. They raised their two children Amy and Wayne to love the cattle, farm, and land. Both are still involved in today's operation. Amy and her husband Dylan live away from the farm and interestingly are breeding a herd of Elk at their operation. Most weekends you will find Amy and her three children, Molly, Emily, and Henry at Carpsdale working with cattle, horses and all the other critters at the farm. Wayne and his wife Karen are actively involved as partners at the farm. They are involved with the day to day running of the operation and their children, Sara and John are an important part of the operation. They have a keen interest in the herd and work with the cattle each day. It is in the truest sense, a family operation! We knew the late John Carpenter well and he would be very proud of what the operation has grown into.*

*Anyone who owns or breeds cattle in the Northeast are familiar with the Carpenters. They have supported breeders in club, state, and national sales for decades. They are always looking for the next great one to add to their herd. Anyone having a sale would be pleased to see the Carpenter family show up at their auction as they are tremendous supporters of the business. As you review this catalog you will see that the Carpenters have added animals from most every top cow family in the breed to their herd.*

*Today, Carpsdale is the best they have ever been. They have one of the top BAAs for a breeder's herd in the northeast. They have had very successful runs in the show ring, having AA nominations in the Jr and Open divisions the past several years. This year they were named premier exhibitor at the NE Summer and NE Fall National RW shows and exhibited many of the champions.*

*They let us come pick the best 100 plus head from their herd. While they will continue their operation, we have chosen the best animals to sell. The herd has low SCC and great overall health. They live in a loose housing pack and are milked in a parlor. People that buy cattle from Carpenters are always pleased with how they perform.*

*On a personal note, Sharyn and I have been close friends of the Carpenters for the past 3 decades. We have been together for good times and bad. We have been partners on dozens of cows, some made money, others were part of our "education". But at the end of the day, we have never dealt with more honest, fair people. We consider the Carpenters family and are honored to run their sale.*

*We hope to see you on May 5 in Enosburg VT. You will be impressed with the offering, and we hope the business can give back to these great people some of what they have put into it.*

*Tim and Sharyn Abbott*

# HOLSTEIN ASSOCIATION TERMS AND CONDITIONS FOR PUBLIC SALES

EFFECTIVE MARCH 2, 1996 - Amended October 1, 1997, June 28, 2000, June 23, 2002, and March 26, 2010

**TERMS:** The terms of the sale are cash unless arrangements are made prior to the sale or are printed in the sale catalog. Only when the above conditions are met will the buyer be entitled to the warranties listed below. In no case will animals be released unless settlement is made with the clerk of the sale.

**RESPONSIBILITY:** The seller, buyer, and manager of this sale are obligated to comply with the provisions of these terms and conditions.

**EXPORT SALES:** Buyer assumes all responsibility for health tests required by the importing country.

**BIDS:** The highest bidder is the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal or lot presented for bidding is pledged to absolute sale. In case of dispute, the animal or lot will again be put up for advance bids, and if there is no advance bid, the animal or lot will be sold to the person the auctioneer accepted the last bid from. In case two or more claim the bid, the auctioneer will indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

**BY-BIDDING:** Bidding directly or indirectly by the sole owner of any animal or lot is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring. Bidding by any member of a partnership, syndicate, or other entity having an ownership interest in an animal or lot is permitted.

**TRANSFER OF OWNERSHIP:** For all Registered Holsteins<sup>SM</sup>, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA and a certificate of registration showing that transfer of ownership will be provided to the buyer free of charge. For embryos, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA free of charge to the buyer.

**RISK:** All animals located at sale site are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a maximum of 24 hours following the end of the sale.

## WARRANTIES:

- 1) Each consignor warrants clear title to the animal or lot, and the right to sell same.
- 2) To the best of the seller's knowledge, each animal is sound and healthy in every respect and embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each lot exactly as is known. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership in the case of animals at sale site together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that never calved are in no way guaranteed as to the condition of their udders following calving.

### 3) Breeding Warranty

The seller guarantees all animals to be breeders, but not beyond the purchase price, with the following understanding:

- a. Males - Should any bull after reaching the age of fourteen months fail to prove a breeder after being used for two months on cows or heifers known to be breeders, the matter shall be reported in writing to the seller within three months of the sale date. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed,

by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller. The seller makes no guarantees with respect to the ability to freeze semen.

- b. Females - All females are guaranteed to be breeders with the exception of:
  1. Cows over 7 years of age when sold;
  2. Cows and/or heifers carrying a pregnancy that is the result of an embryo transfer.

Report of a non-breeder must occur in writing within 3 months of the date of sale or before the animal reaches 21 months of age and must be submitted to the seller. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed, by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller.

Females bred when sold and pronounced in calf are presumed to be pregnant but pregnancy is not guaranteed unless so announced. The seller makes no warranty that pregnant cows will deliver calves or that they will carry calves full term.

- c. If, after the sale, embryos or oocytes are recovered from a female or an attempt is made to superovulate her, this negates the breeding warranty unless there is a separate written agreement between buyer and seller.

**SHIPPING:** Assistance will be given in arranging shipping of the animals after the sale. All costs, risks and responsibility will be borne by the purchaser.

**PEDIGREE INFORMATION:** All production, classification, type and production summaries are current. Only information recorded on Holstein Association USA pedigrees is used. Any production or classification records supplied by the seller or consignor will be properly identified as provided by owner. Records in progress are identified as such.

**GENOMIC INFORMATION:** If genomic information on the animal or embryo is available, it must be dated and disclosed at or before the time of sale.

**EMBRYO TRANSFER:** All registered animals that have resulted from embryo transfer are identified with one of the following suffixes in the name: ET, ETS (from split embryo), or ETN (from nuclear transfer). If unregistered, the appropriate technology will be identified. Donor dams are identified.

**HEALTH WARRANTY:** The seller will provide an official health certificate to the buyer for each animal showing the results of all health tests made in preparation for this sale as required by the state where the cattle reside. Other health tests completed for this sale will be disclosed.

**ERRORS:** The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced. Such announcements take precedence over that printed in this catalog.

**ACCIDENT:** The sale management, the consignors, and the owner of the grounds will not be responsible in any case for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

**LIMITATIONS OF WARRANTIES:** Warranties contained herein, unless terminated earlier, will cease upon the resale of an animal.
