SELLS AS LOT 70**

We have been dairy farming together for 40 years. It has been a long and winding road. The time has come to turn the page and start a new chapter. Our 'Sweet-Willow' journey began in 1991 when we returned to the home farm after selling a farm we owned in Brainardsville. Along with our three children and 50 cows, we moved back to Malone and Sweet-Willow Farm was born.

Through the years, our herd of Holsteins grew in size and quality. Scott's eye for breeding cattle, which most likely came from Scott's father, Richard Hamilton, produced strong, stylish, high-producing cows. We love showing our cows at the Franklin County Fair not only for the competition, but the fun times we shared with friends and family. We also began classifying our cattle on a regular basis. This became an important tool in improving our herd.

We learned a lot from the classifiers who pointed out the strengths and weaknesses of each cow. While not always agreeing with the classifier, a little constructive criticism never hurt anyone.

Sweet-Willow Holsteins would not have been possible without Faye Thomas Hamilton. She instilled in us a strong work ethic, and always give us smart, savvy business advice. Thanks Mom!

Besides Faye, there are many people to thank for helping us along the way. Our children – Sarah, Kyle, Justine and son-in-law Adam – have played an important role on the farm. Kyle in particular has been a full-time employee since he could hold a shovel and drive a tractor. His steady, reliable presence on the farm made our life less stressful knowing he would always be here. Sarah, Justine and Adam filled in when needed. Many times they helped round up cattle, throw hay, and grain the cows. Adam's mechanical skills were much appreciated in the shop. He also helped with field work when needed.

We would also like to thank our employees – past and present. We would describe our current employees – Brock, Mitchell, "Uncle" Bob Legacy and Kevin Avery – as committed, hard-working men who have become part of our farm family. We have depended on them for many things and they have never let us down.

A special thank you goes out to Dr. George Merrill. He has saved 'many-ah' Sweet-Willow cow with his experience, veterinarian skills, and kind heart. George is proof that it takes more than a college degree to be a good vet. Thank you George and Marcia for your support and friendship through the years. We would also like to thank our local vets for treating our cattle with such care and compassion.

Many thanks go out to our sales staff and barn crew that worked hard to get our cattle ready. Thank you Mike and Dave for helping with the advertising and "techy" stuff.

*Last but not least – our cows. Everything we have, we owe to them. They are near and dear to us and saying good-bye to them is difficult. We **will** miss them greatly.*

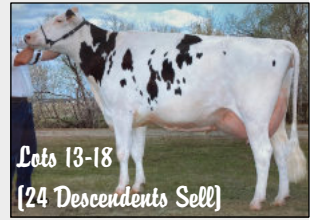

To all of you, thank you for attending our sale. We hope you appreciate our cattle whether you buy one or not. This sale would not be possible without you.

Scott and Judy
