ELITE EMBRYO AUCTION

LIVE Auction on Cowbuyer.com

THURSDAY, AUGUST 4TH, 2022 | 6:30 pm EST (Note start time)

Live Auction and Internet bidding

at www.cowbuyer.com

Aaron Ray Tompkins

Ph: 336.363.4639 | atompkin@vt.edu

Registration and approval prior to sale time is required.

TERMS of SALE:

Buyers utilizing Cowbuyer may pay by credit card. Buyer's fees apply.

Please contact Aaron Ray Tompkins for full details.

ALL purchases must be settled within 5 business days of the sale payable to Chris & Jennifer Hill, 8517 Orndorff Rd., Thurmont, MD 21788.

Invoices will be emailed and/or mailed immediately.

Embryos sold on a per embryo basis times the number of embryos offered in the package unless otherwise noted or announced. Shipping arrangements or pickup of the embryos, including all expenses, are the buyer's responsibility. The consignor's email addresses & phone numbers have been provided for buyers and sellers to arrange shipment. No embryos will be released before payment is made.

Sale Staff

Welcome

Welcome to Bright Futures 6! We believe you will agree with us that this is the most powerful line-up to date for this sales series. This sale has allowed breeders to market embryos from their top cattle and has given opportunities for dozens of herds to add great genetics to their program with reasonable total investment. There are numerous stories of embryos being purchased through this sale that have gone on to make the new owner thousands of dollars reselling offspring that resulted from embryos purchased.

Each sale we have featured a herd that we feel offers impactful genetics to the business. We are thrilled to be working with the King families of Kings-Ransom Holsteins in Schuylerville, NY. Jeff and Jan have followed in the footsteps of their parents to develop a tremendous operation. Kings-Ransom currently milks 1000 head and looks after 3000 acres. They have long been involved in breeding top genetics. Kings-Ransom bulls have been prominent in pedigrees of top bulls for decades and may be more popular today than ever before. They have developed type genetics for every producer. Their cattle work in all operations but have become very popular as the modern day show cow! For three years in a row Kings-Ransom has had a nomination for All American in the most prestigious class in the business, Best Three Females. They have recently had an All-American Produce of dam as well! Moreover, the family has started King Brothers Dairy to maximize the value of the milk they produce. They bottle and sell milk and make a fantastic line of ice cream and their dairy business is growing by leaps and bounds. We are grateful to the Kings for working with us on this sale!

So, as you review this catalog, we hope you share our vision that the lots in the Bright Futures Sale offer unlimited potential for breeders around the world. We hope you will join us 6:30 Eastern time on August 4 on Cowbuyer and invest in your future.

The Alliance: Tim & Sharyn and Chris & Jen

Special Terms and Conditions for Embryo Sales

1. It is the responsibility of the BUYER to pay all shipping costs associated with getting embryos to the location of their choice.
2. The SELLER will be responsible for transferring ownership to the buyer.
3. Should a buyer want embryos exported, please contact the seller directly, prior to the sale to determine exactly which countries the embryos are eligible for export to. All testing, health charts, charting and shipping fees will be the responsibility of the buyer.
4. No embryos will be shipped, or released from any facility until complete settlement has been made with sale managers.
5. Emails and contact phone numbers of each consignor have been supplied on each lot for buyers to contact sellers regarding shipping and handling.
6. All announcements sale day will take precedence over printed material.
7. Buyer assumes all risk and reward.

BUYERS CHOICE OF IVF SESSIONS

Buyer is purchasing rights to control the next IVF session(s) of one of the following:

- A) Duckett Perfect Harper-ET
B) Duckett Perfect Heidi-ET
C) Duckett Conway Hannah-ET

Choice of donor to be named at time of purchase.

Buyer is guaranteed IVF sessions until a minimum of 8 #1 or #2 IVF embryos are produced.

Embryo grades are determined at the time of transfer if fresh embryos or at time of freezing if freezing is requested by buyer.

Buyer keeps all resulting embryos from these controlled IVF sessions. Buyer is responsible for all costs of the aspiration and mating sire decisions.

Have It All Partners

IVF SESSION

Buyer is purchasing rights to control the next IVF session(s) of AOT Doc Heart-ET
Buyer is guaranteed IVF sessions until a minimum of 8 #1 or #2 IVF embryos are produced.
Embryo grades are determined at the time of transfer if fresh embryos or at time of freezing if freezing is requested by buyer.
Buyer keeps all resulting embryos from these controlled IVF sessions. Buyer is responsible for all costs of the aspiration and mating sire decisions.

HOLSTEIN ASSOCIATION TERMS AND CONDITIONS FOR PUBLIC SALES

EFFECTIVE MARCH 2, 1996 - Amended October 1, 1997, June 28, 2000, June 23, 2002, and March 26, 2010

TERMS: The terms of the sale are cash unless arrangements are made prior to the sale or are printed in the sale catalog. Only when the above conditions are met will the buyer be entitled to the warranties listed below. In no case will animals be released unless settlement is made with the clerk of the sale.

RESPONSIBILITY: The seller, buyer, and manager of this sale are obligated to comply with the provisions of these terms and conditions.

EXPORT SALES: Buyer assumes all responsibility for health tests required by the importing country.

BIDS: The highest bidder is the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal or lot presented for bidding is pledged to absolute sale. In case of dispute, the animal or lot will again be put up for advance bids, and if there is no advance bid, the animal or lot will be sold to the person the auctioneer accepted the last bid from. In case two or more claim the bid, the auctioneer will indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

BY-BIDDING: Bidding directly or indirectly by the sole owner of any animal or lot is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring. Bidding by any member of a partnership, syndicate, or other entity having an ownership interest in an animal or lot is permitted.

TRANSFER OF OWNERSHIP: For all Registered HolsteinsSM, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA and a certificate of registration showing that transfer of ownership will be provided to the buyer free of charge. For embryos, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA free of charge to the buyer.

RISK: All animals located at sale site are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a maximum of 24 hours following the end of the sale.

WARRANTIES:

- 1) Each consignor warrants clear title to the animal or lot, and the right to sell same.
- 2) To the best of the seller's knowledge, each animal is sound and healthy in every respect and embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each lot exactly as is known. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership in the case of animals at sale site together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that never calved are in no way guaranteed as to the condition of their udders following calving.

3) Breeding Warranty

The seller guarantees all animals to be breeders, but not beyond the purchase price, with the following understanding:

- a. Males - Should any bull after reaching the age of fourteen months fail to prove a breeder after being used for two months on cows or heifers known to be breeders, the matter shall be reported in writing to the seller within three months of the sale date. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed,

by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller. The seller makes no guarantees with respect to the ability to freeze semen.

- b. Females - All females are guaranteed to be breeders with the exception of:
 1. Cows over 7 years of age when sold;
 2. Cows and/or heifers carrying a pregnancy that is the result of an embryo transfer.

Report of a non-breeder must occur in writing within 3 months of the date of sale or before the animal reaches 21 months of age and must be submitted to the seller. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed, by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller.

Females bred when sold and pronounced in calf are presumed to be pregnant but pregnancy is not guaranteed unless so announced. The seller makes no warranty that pregnant cows will deliver calves or that they will carry calves full term.

- c. If, after the sale, embryos or oocytes are recovered from a female or an attempt is made to superovulate her, this negates the breeding warranty unless there is a separate written agreement between buyer and seller.

SHIPPING: Assistance will be given in arranging shipping of the animals after the sale. All costs, risks and responsibility will be borne by the purchaser.

PEDIGREE INFORMATION: All production, classification, type and production summaries are current. Only information recorded on Holstein Association USA pedigrees is used. Any production or classification records supplied by the seller or consignor will be properly identified as provided by owner. Records in progress are identified as such.

GENOMIC INFORMATION: If genomic information on the animal or embryo is available, it must be dated and disclosed at or before the time of sale.

EMBRYO TRANSFER: All registered animals that have resulted from embryo transfer are identified with one of the following suffixes in the name: ET, ETS (from split embryo), or ETN (from nuclear transfer). If unregistered, the appropriate technology will be identified. Donor dams are identified.

HEALTH WARRANTY: The seller will provide an official health certificate to the buyer for each animal showing the results of all health tests made in preparation for this sale as required by the state where the cattle reside. Other health tests completed for this sale will be disclosed.

ERRORS: The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced. Such announcements take precedence over that printed in this catalog.

ACCIDENT: The sale management, the consignors, and the owner of the grounds will not be responsible in any case for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

LIMITATIONS OF WARRANTIES: Warranties contained herein, unless terminated earlier, will cease upon the resale of an animal.
