The Story of Chocolatier

In today's world of cattle breeding, bulls like Chocolatier are few and far between. He is a Joel son of Avonlea Premier Chocolate Chip EX-96-2E who was used as a natural service sire in two herds in Canada. He has the sire and maternal line that has been bred to transmit greatness with seven excellent show winning dams. Chocolatier's transmitting ability was not fully realized until his first offspring started hitting the ground.

The first group of fancy calves in these two herds commanded attention and now as the first Chocolatier daughters begin to freshen it appears their udders will be their best feature. Make him part of your breeding program today, order your sorted female or conventional Chocolatier semen online at AG3.ca. Public volume pricing & shipping included!
