Welcome

As we write this welcome letter, we are watching the 2022 CMA awards from Nashville. The city is on fire and is one of the hottest vacation spots in the land. As we watch Thomas Rhett, Luke Combs, Cole Swindell, Lainey Wilson, or Carly Pearce...all of them got their start on Broadway in the past decade. The greats like Miss Loretta, Dolly, Reba, George Jones, Alan Jackson and endless others all played Legends, Tootsies or the Stage and we will see the next legends being born.

The Music City Celebration has become one of the go-to events for all breeds in the industry. The annual December event draws hundreds of breeders from the US and Canada. The guests are treated to great food, incredible music, music history but most importantly the fellowship of the best breeders in the world.

Oh yes, also the best cattle sale in the industry happens that weekend and the announcements for the most prestigious awards in the show business for Jersey and Holstein breeders, the All-American contests. Our sales have sold millions of dollars of cattle of all breeds and boast dozens of state, local and national show winners. There are countless number of animals that are improving breeder's herds from this sale series. We pride ourselves on having something for everyone that can prove to be successful for their new owners. This year is no exception, our line-up is the best ever and we are grateful to the consignors for trusting us to sell their best. This year we will have the announcements of the 100th All-American Contest in conjunction with Cowsmopolitan for the third consecutive year. Each year we make it better and this year will be the best yet.

We sincerely thank the consignors, those of you who buy and those of you who attend. We can't do this without you. Also, we thank our friends at ST Genetics and specifically Jack Hippen for their sponsorship of the event every year! They are committed to breeders like all of us and we appreciate that. This year our venue has changed. Both nights will be held at THE STAGE on BROADWAY, one of Nashville's most historic venues. We simply had outgrown Alan Jackson's facility. We thank Alan's staff and especially Matt Harville, his manager, who has made the event a success. Without AJ's we never could have done this.

We think 2022 can be the best yet. We have the best line-up ever, expect the biggest crowd yet and have a new venue for the sale to make our guests more comfortable. And by the way, the music will be amazing all weekend and as always, we have two private shows for our guests!

Terms and Conditions of Sale

TERMS: The terms are cash or cheque on sale day payable to Chris & Jen Hill, MD-Hillbrook, in U.S. funds unless other arrangements are made with the consignor and management prior to the sale. All payments must be made to the clerk of the sale and no release of animals will be given until satisfactory settlement has been made. Compliance with the above terms of payment on the part of the buyer will then entitle him to the guarantees offered by the seller and listed below.

EXPORT SALES: Arrangements regarding health requirements and health tests for a specific importing country shall be a matter of agreement prior to the sale between seller and potential buyer. Otherwise, the buyer assumes all responsibilities for all health tests. Any agent purchasing for export accounts must identify themselves to the sales management prior to the sale and any special terms with regard to tests or payments must be cleared prior to the sale with management and consignor.

BIDS: The highest bidder shall be the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal is pledged to absolute sale. In case of dispute, the animal shall again be put up for advance bids, and if there be no advance bid, the animal shall be sold to the person from whom the auctioneer on the stand accepted the last bid. In case two or more claim the bid, the auctioneer in the box shall indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

BY-BIDDING: Bidding directly or indirectly on an animal in which the bidder or any person for whom the bid is made has an ownership interest is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring.

RISK: All animals are at the purchaser's risk as soon as struck off, but will be cared for free of charge for 24 hours. Purchasers must make arrangements for the care of their purchases beyond the 24-hour period, unless sold for export in keeping with separate terms. Animals are solely at the consignor's risk prior to selling in the event of fire or other eventuality.

CERTIFICATES OF REGISTRATION, RECORDING OR IDENTIFICATION: Will be furnished by the seller showing transfer on the records of the Breed Association to the purchaser and will be provided free of charge within a reasonable period of time.

WARRANTIES:

(1) Owner warrants clear title to the animal, and the right to sell same.

(2) Each animal is sound and healthy in every respect, unless otherwise noted in the catalog or announced from the auction stand. Embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each animal exactly as it is known. However, all animals are sold with no warranty that they are free of paratuberculosis. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that have never calved are in no way guaranteed as to the condition of their udders following calving. No guarantee is made concerning freedom from hardware unless so announced.

BREEDING: The seller has represented the breeding record of females and service age bulls as accurately as possible, but no male or female is guaranteed to be a breeder. No guarantees are made as to the accuracy of any ultrasound pregnancy results listed or announced.

SHIPPING: Assistance will be given in shipping the animals after the sale. All costs, risks and responsibility will be borne by the purchaser, with the exception of special terms for export purchases. Transportation charges on all animals subject to adjustment shall be paid by the shipper.

PEDIGREE INFORMATION: All production, classification, type and production summaries are current. Only official DHI or DHIR records are used in pedigrees contained herein. All records, except records in progress, are shown on true protein scale. Any production or classification records followed by a quotation mark (") have been supplied by the seller or consignor. * indicates undesirable recessive carrier; *DP for dumps, *BL for blads, *CV for complex vertebral malformation, *BY for brachyspina and so forth.

PARTNERSHIPS AND SYNDICATES: In the case of cattle owned by partnerships and syndicates, any member of these partnerships or syndicates reserves the right to bid in their own behalf. Each member shall be identified.

EMBRYO TRANSFER: All registered animals that resulted from embryo transfer are identified with the suffix "ET" in the name. Any unregistered animals that resulted from ET are identified as having resulted from embryo transfer.

ET CHOICE OF FLUSH TERMS: 35% down payment at conclusion of sale; 65% due at selection and possession, no interest on unpaid balance. Possession date will be when the youngest calf in the group offered reaches 4 months of age.

HEALTH WARRANTY: The results of any future health test is not guaranteed. The seller and sale management hereby notify the buyers that all animals are sold as originating from a maximum risk paratuberculosis herd unless otherwise stated by sale management. The seller and sale management cannot be held liable.

AGENTS: Any person(s) acting as agent for the purchase of any consignment shall be held responsible for all of the terms and conditions of the sale including payment for their purchase. Agents are requested to have written authorization for the principals for whom they represent.

ERRORS: The material in this catalog has been carefully edited. If any errors or omissions are discovered they will be announced. Such announcement to take precedence over the matter of print in this catalog. Neither the editors of the catalog, the sale management, nor the consignors can assume responsibility for any errors or omissions in the catalog.

ACCIDENT: The sale management, the consignors, and the owner of the grounds will not be responsible in any case for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

RESPONSIBILITY: In submitting the entries and in selling the animals listed in this sale, the consignor subscribes to the various sales regulations and warranties as above set forth and assumes full responsibility for his animals. All representations are made by the consignor. In no case, however, will the consignor be responsible for any damages beyond the selling price of the animals. Seller's responsibilities and warranties will cease when animal is resold. Chris and Jen Hill, MD-Hillbrook, as sale manager, assume no responsibility, acting only as an agent, but will endeavor to protect the interests of both buyer and seller.

NOTE: You are respectfully requested to read the above terms and conditions of this sale, which constitute a legal contract between the Seller and Buyer of each lot, mutually binding in the event of any dispute.

Buyers

Purchase of Live Animals (Lots that do not have a choice to be made)

If you purchase any lot that is a single animal, live on sale day, regardless of her age or location, you are obligated to pay the full purchase price of the animal on sale day. Buyers can protect their investment by purchasing insurance (info in the back of this catalog) at the sale or providing insurance through a company of their choice. If Buyers do not acquire insurance immediately at the time of purchase, Buyer is self-insuring the animal and assumes all risk at that point. It is not the Sellers nor Sale Managers responsibility to insure cattle for the Buyer once the gavel has fallen whether purchased by the Buyer at the sale, through an agent or on the internet.

Choice of Flush or Choice of Multiple Animals/Individual Live

35% of the selling price is due on sale day, unless noted otherwise in the catalog or announced, to sale management. The remaining balance is due direct to the seller upon selection of your purchase. Purchase of Choice of flush or choice of multiple animals sold require Buyer to select their purchase by the time the youngest animal in the package reaches 4 months of age unless otherwise noted or announced. All health testing and insurance details outlined in these terms and conditions shall apply.

Payment for animals sold in absentia is expected in full on sale day. Any animal selling in absentia is guaranteed to be in good health and condition at the time of the sale and will have been inspected by a licensed Veterinarian prior to the sale with the necessary tests guaranteed to be negative (TB BVD-PI and Brucellosis (if age appropriate) along with a shipping fever vaccination). A certificate of veterinary inspection (CVI) will be provided at the sale for health guarantees and insurance purposes. After this certificate is provided, the Seller's only responsibility after the sale is to provide adequate and proper housing and care for the animal until she is picked up by the Buyer or his agent and perform the necessary testing once notified. It is the Buyer's responsibility to provide Seller with information needed for interstate health charts for delivery of the animal and transportation plans and instructions. It is the sole responsibility of the Buyer to arrange for transportation of the purchased animal. We have provided a list of truckers who can assist in transportation in the front of this catalog and we also included phone numbers and emails of all consignors for your convenience. All animals in the sale may be inspected by prospective Buyers or their agents prior to the sale upon request to the seller.

SELLERS

Any animals sold in absentia under 4 months of age can be housed at the Seller's facility at no extra charge to the Buyer until that animal is 4 months of age, if the buyer so wishes. For an animal sold in Absentia that is over 4 months of age, the Buyer will be responsible for board fees of \$8 per day until the animal leaves the Seller's facility. For this sale, the Buyer will have a grace period until 1/5/23 where no board fees will be charged.

Seller guarantees a sound, healthy, animal at the time of the sale and proof of this will be the Certificate of Veterinary Inspection (CVI) which must be provided prior to the sale. Seller will prepare health charts for interstate travel for all animals in the sale immediately upon receiving instructions from the buyer. The only tests that are guaranteed to be provided by the Seller are TB, BVD, Brucellosis and a vaccination for shipping fever.

Seller will work to provide adequate care for the cattle that are sold to a new Buyer and will notify Buyer immediately in the event of illness or sudden death of an animal should occur. Any veterinarian care or autopsies performed will be at the Buyer's Expense.
