WELCOME TO INTERNATIONAL DAIRY WEEK 2024

Australia's Premier Dairy Event

On behalf of our team, I am delighted to welcome you to Australia's International Dairy Week 2024. We have been fortunate over the past twelve months to see a fruitful dairy industry as a whole with great milk prices, positive seasonal conditions in most parts of the country, and dairy leading the way for a change amongst other agricultural sectors such as beef and lamb.

Let this week be a joyous occasion as we come together to celebrate our shared passion for the dairy cow. It is an opportunity to reconnect with like-minded individuals, spend valuable time within our community, and bear witness to some of the most magnificent dairy cows from around the country.

To all those experiencing Tatura Park for the first time, whether as an exhibitor or a visitor, a warm welcome awaits you. We encourage you to make use of this program as your comprehensive guide to the various sponsors, site holders and cattle exhibitors spread across the grounds throughout the week. Rest assured, your time at International Dairy Week will undoubtedly be filled with delightful experiences.

To our esteemed returning exhibitors, sponsors, and guests, we are truly grateful to see you once again. We are certain that this week will provide ample opportunities for reconnecting and enjoying all that International Dairy Week has to offer.

While the cattle and exhibitors are the heart and soul of IDW, we must acknowledge the indispensable role played by our extraordinary sponsors who support this event. Without their commitment, it would be impossible to host such a magnificent show.

Let us join in gratitude for the cows, exhibitors, and sponsors who make International Dairy Week a resounding success year after year. In particular, we must acknowledge our tremendous naming rights sponsors - Semex, Nutrien Ag Solutions, Dairy Livestock Services and the Greater Shepparton City Council; thank you for your ongoing support of International Dairy Week.

We have a vast range of sponsors, product and machinery exhibitors and cattle exhibitors that make IDW the spectacle that it is. I'd like to take this time to thank everyone involved behind the scenes that work hard to ensure everything runs smoothly. If you see any of these people throughout the week, please take the time to thank them for their part in making IDW the event that we all know today. A special thank you to this amazing team of people, including Aline and Megan from the Greater Shepparton City Council, the Tatura Football & Netball Club, Ian and the team at Willprint, Chris King and the team from Bourke Hire, Kevin Jones, Kevin Ryan, Mat Langley and his team of electricians, Haig at Pro Image, Rolf Losslow and his team from Core AV, Dean Lewis of Sign Concepts, Tony Hicks, Cath Carter, John & Kerrie Gardiner, David Miles, Paul McGrath and the Tatura Rotary Club.

We would like to take this opportunity to express our gratitude to Bradley Cullen for his service as a co-director of International Dairy Week the last three years. His dedication and commitment have been instrumental in making the new IDW a resounding success. You will continue to see Brad offer his incredible talent as the event photographer. Thank you once again, Brad, for your outstanding contributions to IDW.

We know how much hard work goes into presenting each animal in her best condition for the show ring, so we must also thank and congratulate each and every person involved in getting the cows ready for the show.

The ABS Australia & Maxcare All Breeds Youth Show will launch the show week starting on Monday, followed by 7 National Breed Shows. We have an outstanding nine judge panel to oversee the shows throughout the week- please help us welcome our judges joining us from Australia, Canada, The United States and Holland.

I am proud to advise the following summary as we head into IDW 2024:

- 1134 entries in over 250 classes across 9 Shows.
- 157 Exhibitors from across Australia, Canada, Ireland and the USA.
- 54 companies providing the latest information, products, technologies and services in dairy.
- 7 sessions in our fantastic seminar series hosted in the Ballantyne Centre
- 1 magnificent elite all breeds sale - 'Create the Future'.
- 2 fascinating bus tours to four progressive dairy farms.

To ensure that everyone can partake in the excitement, we will once again be live streaming the show ring activities and seminar series. We encourage you to extend an invitation to your family and friends to join us virtually at www.idwaus.com or www.holstein.com.au.

We welcome your arrival at Tatura Park and are thrilled to immerse ourselves in all things International Dairy Week!

Going to great lengths for quality

Coles dairy farmers take pride going to great lengths in caring for their herds and producing high quality milk. Coles proudly builds relationships with farmers to source milk directly from over 100 dairy farms across Australia.

This enables us to produce a variety of Coles Own Brand cheese and milk products for our customers. Thank you to the dairy farmers supplying Coles for your hard work and dedication to producing milk 365 days a year.

THE BETTE HALL AWARD

The Power of Women in Dairying event returns Tuesday the 16th from 7:30pm at Wilson Hall. The aim of the event is to create opportunities for networking, learning and inspiration for women who work within the dairy industry. The event celebrates the strong, passionate and successful women in dairy as well as rewarding excellence and raising funds for a scholarship scheme to support

younger women making their way within the industry – named in honour of Bette Hall.

Pictured is the 2023 winner of the Bette Hall Power of Women in Dairy Award for Excellence, Mandy Pacitti together with previous recipients, Lyn Boyd (2016), Lisa Broad (2019), and Pam Malcolm (2018).

THE LEX BUNN MEMORIAL AWARD

The Lex Bunn Memorial Award was introduced in 2002 honouring Mr Lex Bunn of Tatura.

Lex, along with his brother and father had Wattle Park Ayrshires at Tatura. He was regarded as one of the leading showmen of dairy cattle of all time. Lex was also the person, from the start of IDW to his passing who looked after the hay and straw supplies - thus everyone knew Lex. Lex was also a magnificent supporter of IDW – the family got right behind it from the start and without their support there is no doubt it would not have got off the ground.

The award was introduced to IDW in order to provide recognition to someone within the industry who is a major contributor yet does so in a manner not seeking award or recognition. When it was first presented, Lex was not aware that it was named in his honour.

Pictured: Mr Lex Bunn with Films Prince

SEMINARS

TUESDAY 16 JANUARY 2024 – BALLANTYNE CENTRE, TATURA PARK

9:00am

Seminar: Make a Plan...!

Hosted by: Eagle Direct

Presented by: Dean Fry, Eagle Direct

Seminar Description: Please join us for a tour and discussion on housing your cows and what resources are available to explore what a system would and could look like on your farm. This tour will be a great opportunity to witness first hand, housed dairy cows and meet the farmers that have been through the Master Plan process while hearing about the team they have built around them to manage and run these businesses. Also hear what team was required to plan and complete these projects.

10:00am

Seminar: Calf Rearing Speed Dating

Hosted by: Maxcare

Presented by: Adam Plant, MaxCare Sales Manager and Dr. Geoff Irish
Ph.D., B.Ag.Sc. (Hons), Nutrition and Technical Manager

Seminar Description: As a dairy farmer you are always busy and have many things you need to juggle. Life gets even busier when calving season comes around. The objective is to get the best possible results we can with each one of our new friends! To assist MaxCare has developed a 'Speed Dating Guide' designed to help you through the busy process. Further to this MaxCare has a toolbox full of useful hints, tips and tools you can use to make your calf rearing season easier with the aim of being more successful.

11:00am

Seminar: Is Safety a Priority on your farm? It's never you until it is.

Hosted by: Murray Dairy

Presented by: Lisa Menhenett (Worksafe Inspector)

Seminar Description: The seminar will discuss who is responsible for safety on the farm, some of the common risks associated with farming, when to notify Worksafe, what a visit from Worksafe could look like and where to get help with safety in your business

1:00pm

Seminar: Maximising Yield whilst maintaining quality in Maize Silage – how to achieve 20 Dry matter tonne

Hosted by: Pioneer Seeds

Presented by: Jason Scott, Silage Specialist and Territory Sales Manager

Seminar Description: Discover how to boost your maize silage production for improved milk production. Join Pioneer Seeds' Silage Specialist Jason Scott for a seminar on maximising maize silage production. We'll focus on practical strategies to achieve a 20-tonne dry matter yield while maintaining quality. Learn about crop management, such as choosing the right maize hybrids, planting density, and when to harvest. We'll also cover the importance of proper compaction, using additives to retain nutritional value, and the value of ensuring an anerobic storage environment.

SEMINARS

WEDNESDAY 17 JANUARY 2024 – BALLANTYNE CENTRE, TATURA PARK

11:30am

Seminar: No two fields or feedstuffs are alike

Hosted by: **Agricore**

Presented by: Hayden Hollis, Director

Seminar Description: With the challenges of rising costs & climate extremes, improving homegrown forage has never been so important to assist in diluting costs. Fieldcore by Agricore powers Dairy Operations to improve the efficiency of their soils & feedstuffs in live time - matching nutrient delivery to the live cow requirement. Hayden Hollis, Director of Agricore, discusses how Fieldcore unites precision agronomy & precision livestock feeding to real time Dairy Farming.

12:30pm

Seminar: Making a measurable difference

Hosted by: **Genetics Australia**

Presented by: Scott Davis, Datamars Livestock, Smart Farming Regional Manager

Seminar Description: Join us for an informative discussion around activity monitoring and how it's bringing farmers closer to their cows. Assisting you to make better informed decisions and achieve measurable success – today and tomorrow.

1:30pm

Seminar: Genetic Progress Model – From Breeding Strategies to Genomic Testing

Hosted by: **ST Genetics**

Presented by: Kevin Ziemba, Eastern USA Manager, ST Genetics

Seminar Description: The Dynamics of STgenetics – Delivering Technology Every Step of the Way, as an enterprising company, ST is “not standing still” as it embraces and develops new technologies to add resilience to your dairying business. Kevin Ziemba, Eastern USA Manager – Genetic Development Team will update you on both current and future technologies that represents the progressive nature of ST, and the support it provides in generating returns for your genetic investments.

Australia's 2023 Grand Champion **Paschendaele Klassy Tri Time**

Calderbrae in Australia:

Having Data Means you can be More Pro-Active, More Precise and have Better Decision-Making

The state of Victoria is heartland to the Australian dairy industry, accounting for 65% of all milk produced nationally.

It is here in the Western Districts region of the state that we find the Master Breeder herd Calderbrae.

 DOUG SAVAGE  HAN HOPMAN

Two hours west of Melbourne near Larpent, close to Colac, is the 165-cow Master Breeder herd Calderbrae, owned by Ross and Jacqui Suares. They started out as share-farmers, building a small herd of commercial cows before leasing a farm and then finally purchasing their current property in 1990.

ACCIDENTAL BREEDERS

Getting into registered Holsteins was not really part of the plan. 'We were wanting to increase our numbers and attended a sale where there were a number of registered animals bred in the Quantock herd. It was dry at the time and prices were depressed and we ended up buying 15 heifers,' explains Jacqui. 'It wasn't till we got these heifers home that we started to talk about what prefix we were going to use.' These heifers became the foundation in building

a herd that in 2018 earned Ross and Jacqui a Master Breeder award from Holstein Australia. 'Along the way we added other genetics to the herd, with the most successful being the Rockwood Park bloodlines. Our Limerick family traces back to the Achilles Felicity line,' explains Ross. The legendary Rockwood Park Achilles Felicity, a Melbourne Royal Supreme Champion, became one of Australia's truly great foundation cows, establishing family branches in herds across the country. When Felicity died, owner Frank Sorraghan had a taxidermist mount and stuff Felicity – in the way that some of the world's most revered race horses have been preserved – and at the Rockwood Park sales over the years, the silky black hide of Felicity was always on display. 'Another line that has developed nicely is the Black Roses, while we have a couple of good families that trace to our appendix upgrade cows,' adds Ross.

Ross and Jacqui Suares have developed Calderbrae into a Master Breeder herd, and make extensive use of genomics to assist with breeding decisions.

IDW JUDGES 2024

We are pleased to introduce the exceptional panel of Australian and International Judges who will be overseeing the competitions at IDW 2024. This esteemed group of individuals brings a wealth of experience and expertise to the show ring.

IDW Sheri Martin Youth Showmanship Classes

Mrs. Jessica Gavenlock, Australia

“Sheri Martin has left a lasting legacy and many memories for those who were fortunate enough to know her.” says our 2024 Youth Showmanship Judge.

Jessica is a keen supporter of youth, having founded the North Vic All Breeds Heifer Classic and judged All Breeds Calf Shows and the National Parader’s competition at the 2022 Sydney Royal Show.

She has worked with dairy cattle her entire life, from 4H competitions in her local community, to competing in many showmanship and judging competitions and judging several shows around New South Wales, South Australia and Victoria.

Alongside husband Brad and their three girls, our Youth Showmanship judge runs and operates Cherrylock Cattle Co. in Northern Victoria – boarding and managing elite cattle for a worldwide clientele.

Together they run regular ET Flush Programs for clients, while managing their investments to make the most out of their genetics. In addition, they manage and prepare cattle for shows, sales, and coordinate photo days on farm.

As a family, they enjoy showing and working with a variety of breeds, most notably Jerseys, Holsteins and Illawarra’s.

Australia’s National Red & White Holstein Show

Mr. Nico Bons, Holland

Our 2024 National Red & White Holstein Show judge, Mr. Nico Bons, began his career at 18 years old and has now judged more than 170 shows in his home country and internationally.

Nico, alongside his wife Leanne and three children, is the owner and operator of Bons Holsteins in the Netherlands. There he milks 65 cows and has 80 head of youngstock. His breeding goal on the farm is to aim for breeding, owning and exhibiting the Grand Champion at the open European Holstein Show.

The Bons herd is 100 percent home-bred since 1945. The herd average on 305 days with 65 cows is 11,400kg milk, 4.5% butterfat and 3.6% protein. The herd consists of 38 EX cows and 27 VG cows with an average score (including 2 year olds), of VG-89.6.

Nico has personally bred four cows with the maximum score in the Netherlands EX-94. These animals include: Bons-Holsteins Koba 191 (Jasper), Bons-Holsteins Ella 158 (Mailing), Bons-Holsteins Koba 219 (Lauthority), and Bons-Holsteins Koba 245 (Doorman).

His judging appointments span many countries including Argentina, Belgium, Czech Republic, Denmark, Finland, France, Ireland, Japan, Russia, Spain, Sweden and the U.K.

Since he began showing at his first national show in 2003 – Nico has come home with at least 1 Championship title every year. 2022 was a very successful year for Bons-Holsteins as they were awarded Reserve Champion Mature, Intermediate Champion, Breeders Herd, Premier Breeder and Exhibitor, and Reserve Grand Champion of the European show in Cremona Italy.

ABS Australia/ Maxcare All Breeds Youth Show

Mr. Brian Carscadden, Canada

Brian Carscadden of Guelph, Ontario, Canada was born and raised on a registered Holstein farm in Eastern Ontario and graduated from the University of Guelph with a Bachelor of Science in Agriculture degree in May of 1994.

Upon graduation, Carscadden was hired as a sire analyst for United Breeders of Guelph, Ontario. His duties at United Breeders included daughter photos and displays, mating program analysis and young sire acquisitions. In 1998, the Semex Alliance was formed, and Brian was hired on to the newly formed Semex Alliance Sire Analyst Team where he worked until Feb 1st, 2021. At that time, Brian began a new career as the Executive Senior Manager at Blondin Sires Inc. Prior to his A.I. career, Brian enjoyed many successes as a professional dairy cattle fitter, preparing cattle for top Holstein, Ayrshire, and Jersey breeders around the world.

Brian's judging assignments have taken him to over 30 different countries. He has judged National shows in Canada, United States, United Kingdom, Switzerland, Spain, Italy, Brazil, Ireland, Guatemala, Costa Rica, Japan, Korea, Mexico, New Zealand, Uruguay, Argentina, Portugal, Colombia, Russia, South Africa and Australia. In Europe, he has also judged major shows in France (Space), Germany (Thuringia) and Holland (HHH).

In North America, Brian has judged numerous state, provincial and county shows. In 2006, he was the associate judge at the Royal Winter Fair Holstein Show and was the official judge of the International Holstein Show at World Dairy Expo in 2008. He has judged the Red and White Holstein shows at both the Royal Winter Fair in 2009 and World Dairy Expo in 2010. He also officiated the Brown Swiss and Holsteins in 2009 and the Jerseys and Red and White Holsteins in 2010 and 2020 at the Swiss Expo. In 2011, he was the official judge of the National Holstein Show at the Royal Winter Fair in Toronto, Canada. In 2015, Brian judged the Supreme International Holstein Show in St. Hyacinthe, Quebec. In 2017, Brian was the official judge of the TD Canadian Classic 4-H show at the Royal Winter Fair.

A promoter of youth in agriculture, Brian remains active with various youth programs, speaking engagements and by promoting youth involvement through showmanship and judging clinics. Brian also served as a Holstein Canada Type Advisory Committee member for 12 years. His vast judging experience serves him well to also be part of several judging committees with Holstein Canada and Holstein Ontario.

Brian lives in Fergus and has 3 children Craig, Lauren and Colin.

Australia's National Illawarra Show

Mr. Brian Parker, Australia

Our Illawarra judge hails from Denman in the Hunter Valley of New South Wales, operating a family owned Illawarra stud backed by 5 generations of breeding, 43 years of which have been as a registered stud.

Having exhibited twice at IDW- the inaugural Illawarra Show claiming the Reserve Intermediate Champion with Daisys Prince Nancy in 1999, then returning to receive Best Udder with V. Pauli Elizabeth. Since deregulation hit they have remained focused on breeding their herd to prioritised type and production with the view to return to the show ring. It is with that vision that their reputation for breeding high quality Illawarra's has remained.

Mentoring from legends of the Illawarra breed have played a huge role in guiding his career; therefore he encourages any young dairy farmers, no matter their preferred dairy breed, to reach out to experienced dairy breeders and make yourself known to them.

Brian has enjoyed judging dairy cattle at numerous shows across Australia – including the Kiama and Shepparton Shows, the 2023 Toowoomba Royal and the 49th NSW Spring Fair in Berry.

Our judge has served on the ICSA Federal Board since 2008 and is currently in his second year as Federal President, while serving terms on the Bull Selection Committee and Production Committee as Chair.

Along with his wife Debbie, he proudly breeds Illawarra's under the Creighton Park prefix and is an extremely proud advocate for the Illawarra breed. He believes that opening up the genetic base to other breeds like Dairy Shorthorn and Scandinavian Reds, has led to the modernised Illawarra's, with some of the best of the breed set to be on display at International Dairy Week 2024.

Australia's National Ayrshire Show

Mr. Kurt Wolf, USA

Our 2024 National Ayrshire Show judge has been a lover of the Ayrshire cow since his 4H days and is a talented breeder, developer and marketer of Ayrshire genetics all over the world.

Over the past 12 years, he has played a role in breeding, owning or selling 181 All-American Nominees, 10 All-Canadian Nominees, 2 World Dairy Expo Grand Champions and 3 World Dairy Expo Junior Champions.

Kurt and his partners have bred and sold countless sale toppers, including the all-time high selling Ayrshire, Old-Bankston AI Wyonna-ET, who sold for \$67,000 at the 2021 Quest for the Franchise Kind sale. He has also exhibited the Grand Champion Cow at the All-American Dairy Show, North American Livestock Exposition and Royal Agricultural Winter Fair in addition to the Iowa, Minnesota and Wisconsin State Fairs.

He has had the privilege to judge Ayrshire shows across the USA and Canada – including the North American Livestock Exposition and Quebec Spring Show and was the associate judge for the 2017 International Ayrshire Show at World Dairy Expo.

Kurt's most recently completed his appointment as the head judge for the 2023 International Ayrshire Show at World Dairy Expo in Madison, Wisconsin.

Living in Guttenberg, Iowa, with his wife Michelle and their three year old son Cooper, he works as an AI tech at Cannon ABS, while milking 250 Holsteins, Ayrshires and Illawarra's for Old-Bankstown Ayrshires and Wolf Dairy.

Australia's National Guernsey Show

Mr. Brian Leslie, Australia

Mr. Brian Leslie has been involved in the pedigree Dairy industry his entire life. He has worked with his parents and brothers in the family enterprise for the past 34 years, with their herd having won more than 30 Championships: including 3 Grand Champions and no less than 13 Premier Breeder and/or Exhibitor banners at International Dairy Week.

The family have sold record priced animals at International Dairy Week up to \$40,000 and proudly bred the National production record holder in Japan.

He has judged shows in Argentina, Germany, Japan, Jersey Island and Northern Ireland as well as the prestigious Hayes Classic at the Royal Winter Fair in Canada. He has also judged all breeds at major and Royal Shows in every state of Australia.

He is one of only two Australians to judge both the Holsteins and Jerseys at International Dairy Week, along with the Brown Swiss and National Youth Show.

Having spent most of his time as an auctioneer, selling mainly dairy cattle in all states of Australia and also overseas; he has proudly sold the record priced animals in all breeds, including the \$251,000 heifer at IDW 2017.

He is a partner of Dairy Livestock Services, who sell several thousand dairy cattle both domestically and internationally every year.

In 1990, along with Daryl Brown, Brian founded International Dairy Week and played a vital role in developing IDW as director until 2021.

Brian is married to Diane and they live with their daughter Rachel in Kialla, Northern Victoria. He is likely the most well-known voice of the dairy industry within Australia, having been heavily involved in breeding, selling and judging dairy cows over many decades.

He was awarded the Lex Bunn Award in 2008 and the Jersey Australia Distinguished Service Award in 2019. In 2023, he received King's Birthday honours, being awarded an OAM for his services to the dairy industry.

Brian judged his first Guernsey show in 1985 and has judged the breed twice at Melbourne Royal, as well as Adelaide and Toowoomba Royals and major state feature shows throughout Australia.

He has toured great Guernsey herds in the USA, Canada and the home of the breed, Guernsey Island, as well as attending two Guernsey World Conference shows.

He appreciates the great relationships he has built with Guernsey breeders over many decades and is looking forward to judging the National Guernsey Show.

Australia's National Brown Swiss Show

Mr. Niel Van Rensburg, Australia

Growing up on a family operated dairy farm in North-Eastern South Africa, our Brown Swiss judge was involved with registered Holsteins from a young age; completing his first show at just 8 years old.

In 1997, he won the Grand Champion of the National Youth Show along with being crowned the National Young Farmer of the Year.

He became involved in the semen industry in 1998; which led to various roles including Classifier with Holstein South Africa, Genetic Adviser, Mating Program Consultant and National Sales Manager.

Over the past 25 years, he has had the privilege of seeing some of the best dairies and cows in Australia, Canada, Germany, Kenya, Namibia, North America, South Africa, Sudan and Swaziland.

Never far from great cows; he has judged numerous shows and On-Farm challenges all over South Africa. In 2006, he had his first experience judging in Australia, when he judged the Holsteins at the Adelaide Royal Show; returning in 2011 to judge the Ayrshires.

2014 presented a career highlight, when he won The Gold Cup at the Royal Show in Pietermaritzburg, South Africa – winning Senior Champion cow, then Grand Champion and Interbreed Grand Champion.

His family immigrated to Australia in late 2020, where he joined his current employer, World Wide Sires in early 2021.

Since then, he has judged the Maffra Calf Show, East Gippsland On-Farm Challenge, Victorian Brown Swiss On-Farm Challenge, Victorian Ayrshire On-Farm Challenge and the Central Gippsland Jersey On-Farm Challenge.

Australia's National Jersey Show

Mr. Nathan Thomas, USA

Having judged throughout North America, South America, Mexico, Australia and the United Kingdom and homed over 200 All-American and All-Canadian nominations, including 15 Champion or Reserve placings at the World Dairy Expo – our 2024 National Jersey Show judge is an expert in and out of the show ring.

Alongside the late, great Michael Heath, our National Jersey Show Judge Nathan Thomas and wife Jenny co-managed the very successful sale series 'The Best of Triple T and Heath,' for a decade.

Mr. Nathan Thomas, resides in North Lewisburg, Ohio with Jenny and children Colton, Kendall and Camryn. Together they own and operate Triple T Holsteins and Jerseys along with Nathan's father and brother. The herd consists of 35 milking cows and 60 heifers.

One of their most recent achievements includes having the two time best bred and owned and class winning Holstein at World Dairy Expo MS Beauty Black Velvet EX96. The team at Triple T have also located and developed the Grand and Reserve Grand Champion Jersey at the last 3 World Dairy Expo's.

His judging accolades include being the official judge for the Holsteins, Jerseys and Red and White's at the World Dairy Expo as well the official Jersey judge at the Royal Agricultural Winter Fair.

Australia's National Holstein Show

Mr. Barclay Phoenix, Canada

The World Dairy Expo and Royal Agricultural Winter Fair are just two of the many shows our 2024 National Holstein Judge has overseen, with a career spanning across the globe including Canada, England, Italy, Japan, Holland, Mexico and the United States.

Having owned, bred or merchandised over 200 All American or All Canadian nominations – there is no doubt that he knows how to select a top cow.

It is with great pleasure that we introduce the 2024 National Holstein Show Judge – Mr Barclay Phoenix, of Ontario, Canada.

While he farms in Greenbank, Ontario under the prefix of Phoenix Holstein, alongside his wife Shelley and their three children Keaton, Jaelynn and Janelle; Barclay is also employed as a Genetic Consultant with Select Sires Canada.

In addition to his role with Select Sires Canada, Barclay works closely with Keaton and his own father Earl, to manage their 100 head beef cow-calf operation.

Barclay is heavily involved in showing and merchandising elite Holstein cattle and has managed numerous top level sales throughout North America, including the Sale of Stars at the Royal Agricultural Winter Fair.

In the judging ring, his career highlights to date include judging at Borderway (UK), the Italian National, Swiss Expo, Royal Agricultural Winter Fair and World Dairy Expo. He is also a strong supporter of Youth Shows and Showmanship competitions.

Custom dairy buildings

Put us on your must visit list at **Site 17** and find out how we can create a space that's perfect for your business.

We look forward to talking all things steel build from freestyle or loafing barns designing for effectiveness or the advantages of our hot dipped galvanised steel. We can't wait for a chat and to answer all your questions.

Don't forget to grab a copy of our Agricultural brochure or dairy barns guide. This is an essential read for anyone considering building a barn. It's full of tips and considerations.

Cow Manure Treatment System

TRANSFORM MANURE INTO A VALUABLE ASSET

CHIOR® SPB
Submersible Pump

SEPCOM
Cow Horizontal
Screw Press Separator

CHIOR® SE
Submersible Agitators

Manure
Collection
Pit

Solid-Liquid Separation Technologies

The **SOLID PHASE** turns into a high-quality organic soil conditioner:

- Easy to shovel, store, transport
- Odourless

The **LIQUID PHASE** turns into an enriched liquid fertiliser:

- Easy to mix, pump, spread, store
- Low fresh water consumption

SIMPLE - RELIABLE - EFFICIENT - VALUE FOR MONEY

MY WMS ADVISOR IS AS INVESTED IN THE IMPROVEMENT OF OUR HERD AS WE ARE.

“ WMS works with me to meet the unique needs of my operation by ensuring we have cows that can hold up in a large herd.

We are a high input, dryland farm and our cows need to be able to walk, milk, eat and get back in calf – a big ask for high producing animals. World Wide Sires delivers. ”

Ken & Bonnie Ravenhill
 Ravenhill Pastoral, Narrikup WA

PIONEER
**SUMMER
FORAGE**

PIONEER
CORN

PIO23001-059

For high quality silage, plant Pioneer® brand corn and forage seed and use Pioneer brand inoculants 11C33 & 11G22 to feed your silage out in just seven days. Match the right hybrid seed with Pioneer® brand inoculant products to provide fast, efficient, stable fermentation for your silage.

To improve feed quality and extend silage pit life, contact our Silage Specialist or your local Territory Sales Manager to choose the products that best suit your program.

Pioneer® brand seeds are produced and distributed in Australia by GenTech Seeds, a Yates Family Business

YARROWEYAH ENGINEERING
Turning Cows Around the World

Experts in Rotary Dairy Design and Manufacturing

Yarroweyah Engineering has been manufacturing rotary dairies for 40 years. We have over 3700 platforms worldwide in over 65 countries, equating to over 1 million cows being milked on our platforms daily. We are a world leader in design and manufacturing of Rotary Dairies. Our products are known for reliability and strength. We can provide the best milking solution for any farming type from pasture based to intensive 24-hour milking operations.

BOLTON'S HOOF TRIMMING

At Bolton's Hoof Trimming we care about your cows.

Invest in hoof trimming as part of your herd management and **prevent costly losses** including unrealised milk production, treatment costs, discarded milk, breeding difficulties and involuntary culling.

We use hydraulic crushes, built for cow comfort, safety and fast throughput.

Contact us to get your cows back on the move!

BOLTON'S HOOF TRIMMING

Providing innovative agronomic solutions to Dairy Farmers.

Our focus is to help drive your production through improved land & feed management. We wish all exhibitors of IDW 2024 good luck!

Be your farming best.

Why visit *us* at IDW

Fieldcore Maps

Ever wondered why different parts of your fields grow differently?

Call in to Agricore & discover how Fieldcore Maps unlock your soils potential to increase your forage production.

Onsite Feed Testing

Bring your feed samples to IDW & have them analysed onsite for same day results!

Discuss with our team your results & the world of precision livestock feeding.

Fieldtech

The challenges of labour mean we need to improve the limited hours we have on-farm.

Discover at Agricore how Agtech solutions such as soil moisture management & automated fertilisation can occur!

Farming Footprint

Sustainability - a statement or can it be an outcome?

Learn how Agricore's ecosystem can deliver your Farmer Owned, Soil Carbon & Emission Farming Footprint Certification.

Be certain
in your herd
decisions

Add certainty with **GENOMIC TESTING**

Having all the information you need for your herd's genetic progress is essential for a profitable future. From Ultraplus and Super Conventional to Chromosomal Mating and Vision+, having access to these innovative technologies will assist you to make the right decision.

Genomic testing through Vision+ is
the **GOLDEN STANDARD** in the market for
supporting your best decisions

Watch your herd value grow with

Vision+™

Visit us at SITE 27 during IDW to discuss your genomic testing needs.
